

## Presbyterians elect Iowa man as new pastor

Election of the Rev. Carl Victor Brown, Burlington, Iowa, to the pastorate of First Presbyterian church, Arlington Heights, has been announced by the pulpit committee of the church, headed by H. B. Rose, chairman, and N. M. Lattot, secretary. The announcement follows a recent congregational meeting at which the choice was made.

The Rev. Mr. Brown joins the community well prepared for his ministerial responsibilities, both by educational background and by experience in his field. He has the unequivocal recommendation of numerous persons well known in the clergy, including Dr. Emory Luccock, recent pastor of First Presbyterian church of Evanston, and recognized as one of the most prominent and highly respected churchmen in the middlewest. Mr. Brown served this church and Dr. Luccock as assistant pastor a few years ago.

Mr. Brown is a son of the Rev. C. V. Brown of Westminster Presbyterian church, Louisville, Ky., who has been invited to participate in the installation services a few weeks after the arrival of his son and family, Feb. 24.

After graduation from Park College, Parkville, Mo., Mr. Brown was graduated from McCormick Theological Seminary, Chicago. During his Park College years he was president of the Student Y. M. C. A.; president of the Student Council, and active in athletics. It was during his campus life that he became acquainted with Mrs. Brown, also of Park College, who took post graduate work in Christian Education in the South, following her degree at Park College.

Before his ordination, Mr. Brown served as student assistant in First Presbyterian church, Evanston, where he served as interim minister after being ordained, and until a permanent pastor was selected. At this period of his career he was made assistant pastor of this same church.

One of the oldest and most prominent Presbyterian churches in the country, the Brick Presbyterian church of New York City, was the next place to claim the interest of Mr. Brown. He served as assistant minister there, later becoming minister of First Presbyterian church in Burlington, Iowa, where he and his family have lived for more than six years. During these years 300 new members have been received into the church; the scope of the youth program has been appreciably enlarged including the engagement of a youth director. The attendance at the Sunday morning service is recorded as more than twice the number totaled when he took the pastorate, and the budget for local support and benevolences has doubled in this length of time.

Mr. Brown is civic-minded to the degree of having served his community as president of the Burlington Council of Churches, president of the ministerial association, active on the boys committee of the Y. M. C. A., and a member of the board of directors of the Kiwanis Club of that city. He has been moderator of

## New Arlington Pastor

REV. C. V. BROWN, newly elected minister of First Presbyterian Church of Arlington Heights, will deliver his first sermon as pastor, March 2.

## Arlington Lutheran Mission to hold first service

The initial service of a new Lutheran Mission to serve Arlington Heights and vicinity will be conducted Sunday, February 23, 10:45 a. m. at the Arlington Heights fieldhouse auditorium, Haddon and Minor sts.

The endeavor will be sponsored by the English District of the Missouri Synod. Pastor Arthur A. Yoss of Ascension Lutheran church, Riverside, Ill., will conduct the service and deliver the sermon.

Pastor Yoss is the Chicago field representative of the English District Mission Board, and also survey director of the Chicago Lutheran Church Extension Association. These organizations will support the opening phases of this new church's endeavors to become established in Arlington Heights.

The public is cordially invited to attend this initial service.

## Adult education classes depend upon interest shown

T. R. Ehrhorn announced at open house Monday evening that the extent of adult education in Arlington Heights high school depends upon the interest that is shown on the part of the public. A class in sewing is proving successful and the board is making plans for other courses.

Mr. Ehrhorn will be glad to hear suggestions from any persons as to courses in which they are interested. Thirty women attended the first session of the sewing course last week.

his presbytery, a member of the executive council of this organization, chairman of christian education for this body, as well as chairman of ministerial relations, and active on the committee for the restoration fund for devastated Europe.

His first sermon as pastor of his new church will be March 2.

## School patrons told 'why' more state funds are needed

J. E. Pease, superintendent of the LaGrange school system, placed before 200 patrons of the Arlington Heights high school Monday evening the problems of the educational system of Illinois. His audience was asked to change their attitude about a state officials towards education in general and awakening state legislators to the need of the use of larger state funds for education.

The pupils in the smallest rural schools are entitled to the same educational advantages as the pupils in a wealthy district, stated the speaker, who advocated the equalization factor which would provide the money that would make available to the weak districts the same money per pupil as the more prosperous communities.

Mr. Pease gave the opinion that the tax on real estate for school purposes has about reached its limit and that the state must find other sources of revenue for educational purposes. Some of the school needs, stressed by the speaker, were better instruction, better guidance, community recreation 12 months of the year, thorough study of child welfare, school consolidations and provision for college courses in tax supported schools.

Thousands of boys and girls today attending junior colleges will not be able to finish their college courses in recognized senior colleges and universities

# BAN ALL DAY PARKING IN BUSINESS AREA

## Appoint chairman for local Red Cross drive March 1st

Appointment of Nat Burfeind, 1130 North Harvard, Arlington Heights, as the 1947 American Red Cross Fund Campaign chairman for Arlington Heights was made last week by Lowell D. Rutherford, chairman of the County Communities Division of the campaign. Mrs. Paul Gilson, 543 South Evergreen, also of Arlington Heights, is the General Red Cross Chairman in that town.

Other appointments made in this area by Mr. Rutherford included H. C. McNeal, 1500 Miner Street as the Fund Campaign chairman for Des Plaines, and Bertram Pollak, 2201 Center st., Northbrook, as Fund Campaign chairman for Northbrook. Mrs. M. K. Stanwick, 1822 Kiest ave. is the General Red Cross chairman in that town.

The drive, which officially gets under way March 1 has an overall quota of \$2,550,000 for the Chicago Chapter Area and a national goal of \$60,000,000.

The 1947 goal of \$60,000,000 was set after a careful survey, which pared the 1947-48 budget to the minimum consistent with responsibilities of the organization. It was pointed out by Mr. Rutherford in making the appointments.

"At the present time," he said, "more than 10,000 Home Service workers are employed in chapters, supplemented by 19,000 volunteers in this service alone. These workers are serving men in uniform and veterans and their families."

"Added to this," he pointed out, "is the work of the Red Cross in supplying warm clothing and milk for children and medicines for the sick in the battle-scarred areas, and, at home, the provision of surplus blood plasma for civilians, and the courses in home nursing, nutrition, first aid, water safety and accident prevention."

The 1947 fund campaign will continue through March, proclaimed by President Truman as Red Cross Month. Red Cross Sabbath and Sunday were approved for Saturday, February 22, and Sunday, February 23, by leaders of the Catholic, Jewish, and Protestant faiths.

## New light bulbs improve street lighting in Arlington

Arlington Heights street lights are nearly 2½ times brighter as a result of new developments in the manufacture of incandescent light bulbs. This was disclosed by M. H. Schreiber, district superintendent of the Public Service Co. of Northern Illinois who said that a new and improved bulb which fits present street light outlets made it possible to provide 2,500 lumen intensities in place of the former 1,000 lumens in all street lights throughout the village.

In order to provide the increased lighting intensities at no increased cost to the village the utility obtained approval from the Illinois Commerce Commission for a new reduced rate schedule for overhead street lighting. Under the new rate the cost to the village remains the same, although the lumens in each light have been upped from 1000 to 2500.

Installation of the new more powerful bulbs were completed several weeks ago and the cost of the change over was borne by the company.

## Boy Scout Court of Honor February 28

The Blackhawk District of the Scout Council will hold a Court of Honor on Friday evening, February 28 at the North School, R. E. Clabaugh, district advancement chairman, announced. Scouts to receive advancement awards at this time will come from the troops in Arlington Heights, Mt. Prospect, and Prospect Heights.

All scouts in the district are invited and scoutmasters are asked to have their whole troop attend this ceremony. In addition, every scout is urged to invite his parents and friends to come.

Following the presentation of awards, the group will see colored slides picturing the acre camp site in Wisconsin recently acquired by the Council. The Region Seven Scout Landing sound film will also be shown.

Highlights of the advancement awards will be the presentation of the Eagle Scout award to David Kurtz and the Bronze Palm to Eagle Scout Richard Morrow.

Refreshments will be served as usual.

## Could not stop, two injured

Two Palatine young men were slightly injured at Arlington Hts. at 1:55 a. m. Sunday near the Big Freeze when their car hit the rear of a car owned and driven by Alvin Nebel, 1543 Ashland ave., Des Plaines.

Nebel had driven out of a gas station and had proceeded a hundred feet when the other car, owned and driven by Lester Johnson, Palatine, was kept from passing the Nebel car by a third auto which passed both of the other cars. Johnson was proceeding at too great a speed to stop. The front of his car was badly damaged.

Two of his passengers, Willard Friese and Willard Clausen, received injuries while a third passenger, Harold Friese was uninjured. Dr. Elfeld gave first aid.

## Promises gambling raids within 45 minutes of phone call

Addressing the City club last Monday, Sheriff Walsh said, in response to a question of how gambling can be stopped, that "if anyone that knows a place in operation will give me a phone call, I guarantee it will be closed in 45 minutes, as soon as a squad can get there, but that I am now working out a plan on which I hope to get the cooperation of other law-enforcing agencies."

Asked if the solution might not be to license handbooks since it had been found impossible to control them, he answered: "that might well be the answer. Every other tavern now takes bets over the bar. The people getting the income from at least the larger ones are the syndicate."

He said all three cases of selling liquor to minors uncovered in the suburbs since he took office have resulted in recommendations for license revocations.

## Mt. Prospect leads January home building

Mt. Prospect led the January home building permits issued in this area, it was revealed by the Bell Savings survey for the month, when building commissioner William Mulso reported 6 homes valued at \$79,750 scheduled.

Other towns of this area: Arlington Heights, 1, \$10,000; Des Plaines, 3, \$31,000; Glenview, 4, \$39,700; Palatine, 1, \$9,000.

## It's problem parents

# Arlington audience told 'Juvenile Delinquency' does not exist

A lot of parents received some shocking truths at the Arlington Heights field house Sunday evening. The speaker was Dr. Beryl D. Orris, brilliant young American psychiatrist. His subject was "There Is No Delinquency." It was the third of the series of Sunday evening lectures sponsored by Arlington Heights Woman's Club. Dr. Orris defines delinquency as "any act that deviates from normal behavior and causes public censure."

"When delinquency strikes your community," he advises, "don't pull the covers over your head."

In all his experiences of dealing with people and their problems, Dr. Orris says he has never met a single problem child, but that he has met many "problem parents" and problem environments. A child is not born a problem — he is made one. A child may be given the best education, in religious training, in recreation, but he will reflect only his parents and his home; and if the child is delinquent he is only reflecting adult delinquency.

Many adults not emotionally adolescent

"By testing we can learn about the chronological, physical, and mental maturity of an individual, but emotionally we find that most adults are not even adolescents in their development," asserted Orris. "In order to better understand this problem of delinquency it would then seem well to understand the problems of adolescence."

"We know that chronologically the adolescent is in his teens, or approximately from twelve to twenty-one years of age; and that, physiologically he is passing through a period of tremendous growth; but mentally and emotionally he is undergoing devel-

## Buick sedan to be grand prize July 4

Max Warson, chairman of Arlington Heights July 4 committee, announced this week that arrangements had been made for a Buick sedan as the grand prize to be given away the last day of the annual July 4th celebration.

Announcement of committees which will handle the community wide event will not be made until acceptances have been received from all of those who have been asked to serve.

## \$1,000,000 back taxes for schools

More than one million dollars will soon be released to the school districts of Cook County outside of Chicago, has been announced today by County Treasurer Louis E. Nelson.

The money had been impounded by the treasurer to cover 1945 tax objections. The release is being made because errors have been discovered in computations by auditors for railroads objecting to the 1945 taxes, said Nelson. He added that railroad auditors and attorneys are now busy revising their 1945 tax objections. "The release of this money will materially aid the various school boards in meeting their current obligations and possibly make available funds for salary increases," said Nelson.

He discouraged the filing of "foolish and ridiculous tax objections," stating that such objections work a hardship on taxing bodies and their employees and cost the county thousands of dollars to process each year.

## Twelve Cards in final home games this week-end

It will be the final home appearance for twelve members of the Arlington Heights Cardinal basketball team this week-end when the locals play host to Lake Forest Friday night in final conference play, and Niles comes to town for a non-league contest Saturday.

Former victory over the Lakers was by a one point margin, so a close game is in store for Friday night. Saturday night's meeting will be an extra session for both schools, with honors to be paid to twelve Heights seniors for their part in Arlington athletics the past three and four years.

Complete details can be found on the sport page.

## Arlington man escapes death as auto hits train

Tim Clancy, 41, R. 1, Arlington Heights, had a narrow escape from death at 6:19 p. m. Saturday night when his car hit a south bound train at the Main street crossing in Mt. Prospect. This is the same railroad crossing where Emil Nerge was killed two weeks earlier.

The train was slowing down for the station. Clancy did not see the warning signals, hear the bells, or the train itself. The car, a 1935 Ford, was being driven north. The auto hit the side of the moving engine. Clancy was taken to Northwestern hospital, Des Plaines, for first aid treatment, remaining over night. Injuries are confined to his head and chest.

R. R. employees again get careless

Part of the blame for the Nerge accident is due to the practice of a switching crew by putting the signals into operation by leaving its train on the main track while switching. That practice had become so general that many autoists cross the track with signals in motion.

For several days after the accident the switching crew placed its train on a side track while switching. This week the crew has returned to its old practice of parking its train on the main track and autoists are again paying little heed to the signals.

The railroad company could order the switching crew to keep a man on the crossing while switching is being done.

## Plan to organize Wheeling township 4-H club Friday

Since the 4-H Fair is to be held at the Arlington Heights fieldhouse this summer, it would be nice to have the home township well represented. There will be a meeting held Friday night, February 21, at 8 p. m., for the express purpose of organizing a Wheeling township 4-H club. The meeting is to be held at the home of Martin C. Meyer, corner of Palatine and Wilke roads.

Boys and girls from all over the township are invited to attend this meeting. Now is the time to get the Wheeling township 4-H club underway so that at the time of the Fair the group will be well organized.

## Business men and commuters to be given hearing at public meeting

Arlington Heights village dads Monday evening accepted from a parking committee, appointed last July, a report that would solve the parking problems of shoppers, but which makes no provision for daily commuters and the business men and employees who drive to work every day. The report was presented as a basis on which hearings could be held before a definite ordinance is adopted.

## Parking committee recommendations

Recommendations of special committee appointed July 15, 1946, to alleviate parking problems:

Enforce by ordinance, parking restricted to 90 minutes from 8 a. m. to 6 p. m., except Sundays on the following streets in the business district.

(North of Railroad)  
Evergreen ave., from Miner Street to the Northwest Highway, angle parking on West side of street, parallel on East Side.

Dunton ave., from Eastman St. to Miner St., angle parking on West Side, parallel parking on East side.

Wing Street, angle, on north side only.

Miner Street, from half block west of Dunton ave. to Evergreen ave., parallel parking on North side. Angle parking on South side of street from Evergreen ave. one half block west.

Northwest Highway (Rte. 14) angle parking on North side only from Evergreen to Dunton.

Mors Parkway, parallel parking on South side only.

(South of Railroad)

Davis Street, angle parking on North side of street, parallel parking on South side from State Road to Vail ave.

Campbell st., from Dunton ave. to point half block west of Vail ave., angle on North side, parallel on South side.

Campbell st., from Dunton ave. East to point about 50 feet West of Evergreen ave., angle parking on South side, parallel on North side from Davis st. West to Dunton ave.

Vail ave., from Davis st. to Campbell st. Parallel on West side, angle on East side.

Vail ave., from Campbell st. south to end of wide pavement, angle on West side, parallel on East side.

Dunton ave., from Davis st. to end of wide pavement South of Campbell st., angle on West side, parallel on East side.

Evergreen ave., from Davis st. to end of wide pavement South of Campbell st., angle parking on East side, parallel on West side.

No parking, except for casual meeting of trains on Vail, Dunton and Evergreen aves. between Davis st. and Northwest Highway.

Provision to be made in this area for taxicabs and busses.

Parallel unrestricted parking on East side of Street only on Vail, Dunton and Evergreen aves., from restricted zone North to Euclid and South on same streets from restricted zone to Sigwalt st.

Parallel unrestricted parking on South side of Eastman, St. James, Fremont and Sigwalt sts. from Vail ave. to State rd.

Angle parking: Diagonal, within markers.

Parallel parking: Right side wheels within six inches of curb. (Headed in direction of traffic).

## Children start fire in own home

Two young children of Mr. and Mrs. H. L. Richards, 907 N. State road, set a waste paper basket on fire Monday afternoon while their mother was upstairs, talking to a fellow tenant. When told the house was on fire by one of the children, the two women rushed downstairs, allowing the door to the upstairs apartment to lock.

The firemen not only extinguished the fire, but also raised a ladder to gain entrance to the upper flat. Fire damage was confined to window drapes, shades and scorched wood work.

## BURNED WHEN FIRING FURNACE

Steve Dolinayec, 316 W. Northwest Highway, is nursing badly burned arms and hands. When firing his furnace at 1:30 Monday morning it backfired. He will be under the care of a physician several days.

## Alderman Franke made it plain that the committee expects some opposition to the recommendations contained in the report, but the need for action has become so acute that further delay in solving the problem is a reflection on the village and is causing a loss of business to local firms.

The report places practically all of the business district into the 90 minute zone, which pushes all day parking into one side of adjoining residential districts. The village dads had previously asked action by the business men thru their Chamber of Commerce. The CC made its suggestion for use of part of railroad park areas. No agreement was reached as to which should pay the cost.

The next move is apparently up to the business interests. They can appear collectively or singly at the public hearing which will be called as soon as a sufficient number of interested persons advise village clerk Davis that they desire to be notified when the hearing date is set.

## Chicago expects to pay \$500 an acre for Douglas addition

Chicago aldermen engaged in a discussion last week regarding the ultimate cost of putting the Douglas airport into operation. During the talk a statement was made that it may cost the city about \$500 an acre to acquire the 1,800 acres. The area involved is bounded, roughly, by Higgins road on the north, Spo line railroad on the east, Irving Park on the south and the Chicago and Northwestern railroad on the west.

## Inhalator squad gives first aid

Arlington Heights fire department inhalator squad answered a call at one o'clock Sunday night to the home of Eric Plontke, 214 N. Dwyer. Mrs. Plontke is seriously ill and for an hour the firemen administered oxygen. Captain Jahn borrowed the hospital inhalator from the Mt. Prospect department which was available for emergency use until Mrs. Plontke could be moved to a Chicago hospital the next day.

Members of the squad were Richard and Frank Jahn, Walter Duenn, Wm. Andreas, Marvin and Leonard Rodewald.

## Personnel officer to be laymen's day speaker at Arlington

Edwin Kleihauer, personnel officer of the Chicago branch of the A. & P. company will be the speaker of the morning at the Laymen's Day service Sunday, February 23, 11 a. m., at the Methodist Meeting House in Arlington Heights. Mr. Kleihauer's subject is "The Laymen Builds a Church."

The morning worship service was planned entirely by the laymen of the church. R. D. Dibble, chairman and lay leader, will preside. Lester McAuliffe, president of the Kuppel Klub, will lead in the responsive reading. Donald Frisk will read the scripture. Elmer Carnross will preside at the presentation of the offering.

A special feature of the service will be a male quartet, consisting of Ira Cowan, first tenor, Eric Ellis, second tenor, Ira Parker, baritone and Joseph Zikmund, bass. They will sing "Sweet Hour of Prayer," by Bradbury.

Mr. Kleihauer was graduated with a B. S. degree in Philosophy by Northwestern University in 1939 after which he took graduate work in personnel management and industrial relations at the School of Commerce at Northwestern University. His connection with the A. & P. Co. began when he took over the Milwaukee office some time ago. He advanced the Milwaukee branch to one of the ranking branches of the entire company. As a result he was transferred to Chicago where he is now building up the Chicago branch and recently won the approval of the vice president of the A. & P. Co. to set up a model organization for the entire company.

## Vocational guidance material at Arlington high school library

by DOLORES ISAACSON

The student who is seeking vocational guidance can get it at the library of the Arlington Heights high school. He'll find practically all the information possible and answers to nearly all the questions he may seek on the various vocations and on colleges and universities. It is an immeasurable aid for the student in planning his future.

Miss Jean Nelson, who is the librarian at Arlington High, has been compiling this material for the last two years. Now it is rated just slightly below "excel-

Students of the journalism class of the Arlington Heights high school find that there are a lot of things about that institution that should be of interest to the patrons of the district.

The accompanying is the first of a series of articles written by individual students, that will appear in Paddock Publications the coming weeks.

lent" according to a rating questionnaire prepared by the State Consultation Service of Virginia and reprinted in the "Occupations Magazine." There are over 300 pamphlets and leaflets in the vocational guidance file on professions and vocations. Also included in the vocational material are approximately 131 catalogues and reference books on colleges and universities and over 41 books on vocations.

The most complete information possible is given on each vocation and profession. The student who is interested in a certain type of work, may find out from these vocational sources what type of training he will need for the work, how and where he may obtain it, how much it will cost, what the advantages and disadvantages of the work are, what the possible salary range is, and the type of personality and character traits

needed for the work. In short he will know exactly what to expect from any occupation he might enter.

One of the most used books in the college and university material is "American Universities and Colleges" published by the American Council on Education. This book is of great help to the student who is having difficulty in choosing the college or university he wishes to attend. The book lists all the better schools of higher education in America and gives general information on all of them.

You may wonder how the library and Miss Nelson manage to obtain all this material. The United States Government, universities and colleges, and private industries and companies send much free material. Also the library receives the "Vocational Trends Magazine," leaflets, posters and Guidance News Letters monthly by subscription from the Science Research Associates. As the need arises material from other sources is received.

### Girl Scout troop news

#### Troop 1

Tuesday, February 11, the fifth, sixth, seventh and eighth grade Girl Scouts of the Arlington Heights Lutheran school had a Valentine party. Refreshments of cup cakes, ice cream and cocoa were made and served by a group of girls who are working on their cooking badge. The remaining girls decorated the tables, planned the games and four girls were in a skit.

#### Troop 12

The girls of troop 12 did an outdoor requirement on the hostess badge at their meeting February 11. This requirement was making a list of things to do in getting ready for company. Joan Winterbauer gave reports about several things on the horsewoman badge. Julie Hinds and Frances Hubbard gave reports on the photography badge. Julie showed how she kept her photographs and filed her negatives. Frances showed the proper way to clean the lens of the camera.

Dolores Trost had charge of the game which was a relay. The meeting was ended with the friendship circle started by Julie Hinds.

Frances Hubbard, Scribe.

#### Troop 8

Tuesday, February 11, found troop 8 of Arlington Heights having a birthday party at the home of R. M. Ryan. The troop enjoyed ice cream and a cake decorated with sweetpeas and a greeting that said "Happy Birthday Troop 8."

Ten girls received their second class badges. Games were led by Mrs. R. D. Hinchliff, who is helping out with the troop.

Suzanne Franke, Scribe.

### Brownies, troop 9

The third grade Brownies of the Arlington Heights North school enjoyed a Valentine party at the fieldhouse Thursday, February 13. A week previous to the party the troop spent an entire meeting making Valentine nut cups to be filled with candy hearts.

Refreshments of hot chocolate and devil food cake decorated with red hearts were provided by the mothers.

## Church Notes

**ARLINGTON HEIGHTS ST. PETER LUTHERAN CHURCH**  
Rev. L. V. Stephan, M. S. T. M. A., Pastor  
315 N. Highland Ave., Phone 256  
Parish School Faculty

Every Wednesday at 8:30 p.m. Mid-week Lenten service. General theme: "Beneath the Cross of Jesus." Welcome.

The Confirmation classes meet every Tuesday at 3:30 p.m. at 104 S. George st.

### Gems of thought

#### UNITY

Men's hearts ought not to be set against one another, but set with one another, and all against evil only.

—Carlyle.

The multitude which does not reduce itself to unity is confusion; the unity which does not depend upon the multitude, is tyranny.

—Pascal.

Individuals, as nations, unite harmoniously on the basis of justice, and this is accomplished when self is lost in Love—or God's own plan of salvation.

—Mary Baker Eddy.

Jesus throws down the dividing prejudices of nationality, and teaches universal love, without distinction of race, merit, or rank.

—Geikie.

Our doctrine of equality and liberty and humanity comes from our belief in the brotherhood of man, through the fatherhood of God.

—Calvin Coolidge.

**Washing Wool Socks**  
A word of caution on the washing of wool socks. They require the same tender care as sweaters—lukewarm water for both washing and rinsing, and no wringing or artificial heat. It's wise to trace an outline on paper for size before washing, and pin the sock over this on a towel placed flat for drying. When they are comparatively dry on top, turn them over; later place on the rod of a coat hanger and let circulating air complete the drying process. Another trick is to outline the socks on cardboard and then cut out frames to slip inside during the drying.

**Sheep-Parasite Control**  
Reports received by the department of agriculture from specialists in 19 states show that improved methods of controlling sheep parasites are paying good dividends in the form of plumper market lambs and better condition of breeding stock. Much of the improvement is credited to the use of phenothiazine, which has been used more and more by sheep men since department research men discovered several years ago that the chemical is unusually effective against a number of injurious internal parasites of sheep and other farm animals.

**THE METHODIST MEETING HOUSE**  
Milo J. Vondracek, Minister  
Telephone: Church Office 99-W  
Parsonage 99-M  
X. Dunton at St. James Street  
(Where Good Neighbors Meet)

Holy communion will be distributed at all masses, also, on the first Friday of the month at 6, 6:30 and 7:00 a.m.

**FIRST CHURCH OF CHRIST**  
N. Dunton at Fremont  
Church services Sunday, 11:00.  
Sunday school, 9:30 a.m.  
Wednesday evening meetings are held at 8:00 o'clock and include testimonies of healing.

The reading room is located in the church building and is open Wednesday and Thursday afternoons from 1:30 to 4:30.

**CHRISTIAN SCIENCE CHURCHES**  
The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 16, was:

"SOUL"

The Golden Text was:

"My soul shall be joyful in the Lord: it shall rejoice in his salvation" (Ps. 35: 9).

Among the citations which comprised the Lesson-Sermon was the following from the Bible:

"And the Lord spake unto Moses, saying, Speak unto the children of Israel, and say unto them, I am the Lord your God. . . . And I will set my tabernacles among you; and my soul shall not abhor you. And I will walk among you; and will be your God, and ye shall be my people. . . . O bless our God, ye people, and make the voice of his praise to be heard: Which holdeth our soul in life, and suffereth not our feet to be moved" (Lev. 18: 1, 2; 26: 11, 12; Ps. 66: 8, 9).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"God is infinite, the only Life, substance, Spirit, or Soul, the only intelligence of the universe, including man. . . . Soul and Spirit being one, God and Soul are one, and this one never included in a limited mind or a limited body. Spirit is eternal, divine. Nothing but Spirit, Soul, can evolve Life, for Spirit is more than all else. Because Soul is immortal, it does not exist in mortality. Soul must be incorporeal to be Spirit, for Spirit is not finite. Only by losing the false sense of Soul can we gain the eternal unfolding of Life as immortality brought to light" (pp. 330, 335).

### St. John's church has full Lenten program

The St. John's church of Arlington Heights will start a series of Lenten services this Sunday, which will be held every Sunday morning and Wednesday evening throughout the Lenten season.

Listed below are the dates of the services and the themes for each one:

**Sundays, 10:30 a. m.**  
Theme: "A Creed That Sings."  
Feb. 23: The first Sunday in Lent: "I Believe in God."

Mar. 2: The Second Sunday in Lent: "I Believe in Jesus Christ."  
Mar. 9: The Third Sunday in Lent: "I Believe in the Holy Spirit."

Mar. 16: The Fourth Sunday in Lent: "I Believe in the One Holy Universal Christian Church."  
Mar. 23: Presentation Sunday: "My Witness."

Mar. 30: Palm Sunday: Confirmation, Reception of new members.

**Wednesdays, 7:45 p. m.**  
Theme: "Songs of the Cross."  
Feb. 26: Guest speaker: Rev. Geo. P. Ellerbrake of St. Paul's, Barrington.

Mar. 5: "By the Cross I Forsake my Pride."  
Mar. 12: Guest speaker: Rev. Frederick G. Plocher of Long Grove: "For the Cross I Give My Life."

Mar. 19: "Beneath the Cross I Bear My Burden."  
Mar. 26: "In the Cross I Find My Joy."

**expert shots**  
America's greatest husband and wife shooting exhibition team, Bill and Fran Johnson, have instructed almost a million servicemen in the use of firearms. Mrs. Johnson is almost as proficient in shooting as her husband. Bill weighs a good 190 pounds, Fran a scant 100 pounds.

OBITUARIES

Marie Claire Simon

Funeral services for Marie Claire Simon will be held at the Karstens-Fairbanks funeral home Thursday, February 20, at 2:00 p. m. Rev. Gerald Churchill of Villa Park will officiate.

Mrs. Simon, nee Kuehn, was born March 29, 1899, in Chicago. November 30, 1922, she was united in marriage to William George Simon at the St. John's Evangelical church by Rev. John Block in Chicago.

This couple made their home in Chicago and vicinity for over ten years. They later moved to Arlington Heights, and have lived at their present address since 1937.

Over a week ago Mrs. Simon was taken to the Elmhurst hospital at Elmhurst, and was there on Monday, February 17, when she died at the age of 47 years, 10 months and 18 days.

She leaves to mourn her departure her husband, William George Simon; one son, William G. Simon, Jr.; one granddaughter; two sisters, Mrs. Anna De Voy of East Cumberlands and Mrs. Hilda De Graff of Chicago; and one daughter-in-law, Mrs. William G. Simon, Jr.

Edward C. Millard

Funeral services were held for Edward C. Millard of Palatine Tuesday morning at eleven, from the funeral home at 3918 Irving Park road. Interment was in All Saints cemetery.

Mr. Millard was born Mary 13, 1874 in Dixon, Ill. He was married to his wife, Nellie, July 17, 1894. Prior to his retirement, which was about six years ago, Mr. Millard was employed in Chicago as a Company Demonstrator for Eastman Kodak, working for them for about 35 years. He and his family moved to Palatine about a year and a half ago.

Mr. Millard is survived by his wife, Nellie B., and six daughters, Mrs. Irene Kotal, Ruth M., Mrs. Dorothy Sandstrom, Mrs. Nellie Schroeder, Mrs. Eunice McCamant, and Mrs. Elaine Peterson, 12 grandchildren, and a sister, Mrs. Mable Wright of Glen Ellyn.

Mother passes away

Word was received this week that Mrs. Christine Coffey, wife of the late County Commissioner Lawrence Coffey, passed away. She is the mother of Mrs. Jay Parker of Palatine.

Mabel E. McNally

Last rites for Mabel E. McNally of Arlington Heights were held Wednesday afternoon from the Arlington Heights Lutheran church, 2001 N. Lincoln, at 2 p. m. Rev. Milo J. Vondracek was in charge of the service. Interment was at Forest Home cemetery.

Mrs. McNally was born July 29, 1888 at Lockport, Ill. She has lived in Arlington Heights for the past 22 years and her pleasing personality won her many friends in this vicinity. Dwight H. McNally, her husband, preceded her in death in 1937. Prior to that time Mrs. McNally was very active in the affairs of the Methodist church.

Mrs. McNally passed away at the Elmhurst hospital Sunday morning. She leaves to mourn her daughter, Marjorie D. Pate, and son, George F.; four grandchildren, Dwight and Marcia Pate and Beverly and Susan McNally; three sisters, Laura Edgeworth, Marjorie Oseton, and Maude White; and one brother, Donald Ferguson.

IN MEMORIAM

In loving memory of Henry H. Brockmann who passed away one year ago February 17. Loving and kind in all his ways, Upright and just to the end of his days.

Sincere and true in his heart and mind. A beautiful memory he left behind.

He had a nature you could not help loving. A heart that was purer than gold. And to those who knew him and loved him, His memory will never grow cold.

Loving wife and children.

IN MEMORIAM

In loving memory of our beloved husband and father, George P. Baine, who passed away a year ago February 26, 1946.

"Deep in our hearts he is living yet. We love him too much to ever forget."

Loving wife and children.

CARD OF THANKS

The family of Wm. C. Wille wish to offer their thanks and deepest gratitude for the sincere sympathy and help given them by their many friends and neighbors during their recent bereavement.

Wm. C. Wille and Family.

Approve purchase of school site

The voters of Consolidated District 15 of Palatine township approved the location and purchase of a new school site at a special election Saturday.

The vote approving the Dean tract of land for the school site was 194, with a few scattering votes for other sites.

Authority to purchase the site was 206 to 16 and the third proposition on the ballot, to authorize the board to build a building was carried 199 to 20.

The vote was extremely light in all precincts, not 10% of the

total vote of the district being accounted for at the polls.

The question of a bond issue to finance the proposed new building was not voted on Saturday. The school board expects to submit such a question to the voters at a special election some time in March.

Before that election the public will be thoroughly informed as to the plans for the new building, its probable cost, etc.

The school board is inviting a group of citizens, representatives of many local organizations, to meet with them this Friday night to look over the plans for the new school, listen to the architect and discuss the proposed bond issue election.

No definite amount has as yet been determined upon as the

cost of the new building, but from present building costs it seems improbable that a suitable building can be built for less than \$450,000.

The board has already reduced the original plans, and the new building to be constructed will be built in such a way that it can be expanded in future years to meet the growing needs of the district without upsetting the present basic plan.

Smaller Diplomas

Many schools in the United States have recently introduced smaller diplomas, some enclosed in leather folders. Strictly speaking, the rolled diploma is not a "diploma," as the word derives from the Greek meaning "a paper folded double."

The recent Smoker sponsored by the Arlington Heights VFW Post 981 was a big success. The Post would like to make a home talent program an added feature for the future Smokers. Anyone interested in making this possible should get in touch with the Post. There will not be another Smoker until the Lepten season is over.

This Friday, February 21, there will be a special meeting in the firemen's room at the village hall, starting at 8 p. m. The next regular meeting will be February 28, at 8:30 p. m. Members are urged to attend as plans concerning new club rooms for the Post will be discussed.

All unsold Smoker tickets should be returned to Quartermaster John Duthorn.

### Realty Firm moves

Herman Wise and Edward M. Levin, who have been engaged in realty sales in the Arlington area several years, announced this week that they had moved their office from Chicago to 2304 Central st., Evanston. Associated with them is DeWitt M. Purdy. The firm is known as North Towns Realty Co.

### LISTER was a Specialist

● LORD JOSEPH LISTER, the British surgeon, developed what is known as the antiseptic system of surgery. Up to his day, it was not recognized that bacteria were present on the surgeon's hands, resulting in gangrene as a quite common post-surgical development.

The specialized studies of Lord Lister provide a firm foundation upon which modern surgeons have, during this age, built an enviable record for low mortality in operative cases.

## Culligan Soft Water holds open house in new home

Knapp photo

A lot of householders of this area, customers and non-customers of the Culligan Soft Water Service, got an insight last Saturday afternoon into the mechanics of water softening as performed by that firm. It was "open house day" in their new home at 3 West Central Road, Mt. Prospect. Large numbers visited the flower decorated offices and plant between two and four o'clock.

Mr. Chmelik and his assistants took a lot of pleasure in showing visitors around the plant. He impressed upon all visitors that the place is open to visitors at any time. "I want customers and others to know that they are welcome to drop in and see for themselves just how water conditioning is handled the sanitary Culligan way."

A tour through the plant revealed the modern, up-to-date and scientific manner that is followed to insure not only soft water, but filtered water, to those whose homes are equipped and serviced the Culligan way. They found the processing of the softening tanks very interesting.

Many of those who understood the Culligan method will have little use hereafter for home owned outfits. They saw batteries of tanks "back-washed" under pressure that washed out all sedimentary matter. The agitation of the water during that washout convinced the

housewives who witnessed it that a thorough job was being done.

Each individual unit is completely sterilized. The brine that enters the tank is sterilized. After the cleansed Cullite is back in its tank, it is regenerated and tests insure "zero" soft water.

The mechanism is so automatic that no employee can shirk his job. The time for each action is fixed and he can not hurry it up.

The home office of Culligan Soft Water Service in Northbrook is so proud of its local dealer that it sent H. A. Anderson, the supervisor of all Illinois dealers to be present at the opening of the new Culligan setup in Mt. Prospect. Mr. Anderson stated that the Mt. Prospect water conditioning plant is the largest, finest and best equipped plant in Illinois. He also stated that it is capable of three fold expansion without impairing individual customer service.

Culligan Soft Water Service maintains a fleet of six trucks to efficiently cover its territory. This is another reason why high quality service is maintained even though the number of people served increases daily.

Water softening service came to the Arlington area six years ago. Steel shortage during the war curbed expansion plans, but

through the cooperation of loyal customers Mr. Chmelik and his organization were able to maintain service to them and lay the foundation for future expansion.

The new plant has been a dream of Mr. Chmelik come true. The original quarters in Arlington Heights were ample for a time but as the enormous demands of soft water service increased, a more modern plant was needed. The building was found in Mt. Prospect, but it took a lot of changes to fit the building to its new requirements. During the equipping of the new quarters, little of the machinery previously in use was required. Service continued in the old place until the new and modern plant took over a month ago.

The organization is still looking to the future and foundations and drains have already been laid for a second unit, which, when completed, will double the capacity of the plant.

National magazines are devoting news stories to the Culligan method of water softening. The seal of approval has been given by the Household Magazine and the Parents Magazine. Their emblems are authorized to appear on all Culligan advertisements and installations.

## The Story of Water Softening

by R. R. CHMELIK

The public has long been accustomed to buying many services. Among these are electricity, water, telephone and gas. During the last few years there has been added Culligan Soft Water Service. Since it was placed on the market its popularity has grown like wildfire and it is now available in 44 states and Alaska. It has wrought such changes in restaurants, drug stores, etc., that trade magazines have published special news stories about the advantages of uses of soft water — the Culligan way — in those establishments.

The public has found that it is often cheaper and more convenient to have their water softening handled on a utility basis instead of personally owned and serviced equipment.

Culligan Soft Water Service in the Arlington area started on a small scale. Many people had to be convinced of the need of water softening in the first place. When we were able to get the facts to these people we found it easy to sell them on the service.

Unsoftened water is hard on clothes and on the hands. Such water requires more soap to wash everything from hands to clothes. The excessive rubbing with the harsh soaps helps to tear down the fibre of the material being washed. A great amount of soap residue is left in the clothes, which means more rinsing and still more labor in the washing process.

Soft water eliminates all of this. Less harsh soaps can be used in washing. Less rubbing is necessary. Rinsing is more thorough with less effort. As a result the fibres hold up longer and more wear is gotten out of each garment.

Cooking efficiency is greatly helped with the use of soft water. Many of the larger Chicago restaurants and smaller eating places have discovered that food cooked with soft water retains its natural flavor. Place a sample of your regular water that you have been using for cooking, in a bottle, allow it to settle and you will discover for yourself why food that is cooked in water without such residue means better cooked foods. One of the large restaurants in Chicago says, "by the use of soft water we are able to get two and one-third quarts of extra coffee per pound."

### A Lenten thought

## A sinner went to heaven

AMONG the few people of whom the Bible specifically tells us that they are now in heaven—one was a criminal!

It was to a man who had mispent his whole life in sin and shame, but who in his dying moments had come to faith in Christ, that the Savior said: "Verily I say unto thee, Today shalt thou be with Me in Paradise."

There was room—even for this dying thief—in the Father's house to which Christ was now returning.

Heaven is like that! Its mansions are people not with those who in this life prided themselves in their own righteousness (while rejecting God's forgiveness in Christ) but with the vast unnumbered throng of converted "dying thieves" and "penitent publicans."

In the last book of the Bible we are told that those who find entrance into heaven are not those who come relying on their own accomplishments, but those who have come "out of great tribulation and have washed their robes and made them white in the blood of the Lamb."

The thief on the cross was accepted into paradise because he recognized his enormous guilt and threw himself completely on the mercy of the Savior. That is the only way any man can get to heaven.

Because Christ has atoned for every sin of every man of every age, God can offer His univer-

## Activities about Arlington Heights

Mr. and Mrs. Henry Henrichs and Mr. and Mrs. Roy Helmbrecht of Lytton, Iowa are visiting the Theodore Kretz and Herbert Hammerl families this week.

Little Edward Fritz is recovering from an appendectomy he underwent at the Sherman hospital, Elgin, last Saturday. He is the son of Mr. and Mrs. W. Edward Fritz.

Miss E. Bray entertained the Cessa club February 13. Mrs. G. E. Petersen won high honors at cards. Mrs. Arthur Bray will be hostess February 27.

Mrs. William Poole will celebrate her birthday Saturday night with a dinner party for relatives and friends.

A group of young people were entertained by Don Kempf at a pinocle party last Friday evening. Those attending were Joyce Wille, Mr. and Mrs. Ralph Hauptly, Naomi Grismer, Wayne Swearingen, Ralph Taege and Carolyn Jaacks. High honors were won by Mr. Taege and Miss Jaacks and consolation prize went to Miss Grismer and Mr. Swearingen.

Mr. and Mrs. W. A. Miles entertained a few of their son Bill's friends for dinner Sunday in honor of Bill's birthday.

August Busse left Saturday to drive his brother, Commissioner William Busse of Mt. Prospect, to Winter Haven, Florida. They will spend a two months vacation there.

Mr. and Mrs. Carl Weinrich, Ruth Meyer, Miss Judy Seltz and Miss Marcella Rubis attended a symphony band concert at Lane Tech high school Tuesday evening. The concert was given by the Gustavus Adolphus college of St. Peter, Minn. Miss Rubis, who is the kindergarten teacher at the Arlington Heights Lutheran school, was a former student at this college and also a band member.

### Injured in fall

Miss Mildred C. Johnson of 736 N. Mitchell ave., suffered a fracture of the left wrist Saturday when she slipped at Lawrence and Ravenswood ave. in Chicago. She was treated at the Ravenswood hospital.

Mr. and Mrs. C. L. Stadler went to Northbrook Tuesday to extend their sympathy to the family of Charles Maybrech who recently passed away.

The card club of Mrs. Alma Ihle was entertained at her home last Tuesday.

Sunday the Misses Frances and Amy Crisler of Glen Ellyn visited relatives in Arlington Heights.

Mr. and Mrs. LeRoy Blume of Edison Park called Sunday at the home of Mr. and Mrs. H. M. Blume.

Sunday supper guests of Mr. and Mrs. Al Bahr were Mr. and Mrs. Edward Moritz and family. 60th wedding anniversary

Mr. and Mrs. Ernst Bruhnke and son, Bob, attended the celebration of the 60th wedding anniversary of Mr. and Mrs. Henry Brauns in Chicago Sunday. The Brauns are Mrs. Bruhnke's parents.

Mrs. Arthur Weinrich, Jr. entertained her pinocle club last Thursday. Honors were won by Mrs. Henry Collignon and consolation prize went to Mrs. Harold Moore.

Sunday guest of Mr. and Mrs. Walter Haberichter, who moved to Arlington Heights last fall from Chicago were Mr. and Mrs. Allen Schulte and daughters, Betsy and Marge, Mr. and Mrs. Arthur McElhose, and Mr. and Mrs. Reuben Middleborn and their two nephews.

Mrs. Carl Teutsch is vacationing in Jacksonville, Florida, visiting friends there for several weeks.

Guy Baxter will leave Sunday for an extended business trip through the middle west.

Mr. and Mrs. Herbert Olson and daughter, Alice, attended the Golden Wedding anniversary of Mr. and Mrs. Friedrich Ehlert in Chicago last week, Tuesday.

### Given farewell

Mr. and Mrs. Henry Evans, who will move to Northbrook in the near future, were given a farewell party in the form of a potluck supper at the home of Mr. and Mrs. Fred Utterback Saturday evening.

The Helen Circle will meet at the home of Mrs. Harold Dotts, 600 Banbury road, February 25, at 8 p. m.

Mrs. Herbert Reinshagen of Palatine spent last week in Minneapolis, Minn. While there she attended the wedding of her niece.

Spending two weeks vacation at Hot Springs, Ark., are Mr. and Mrs. H. G. Day and Mr. and Mrs. William McAllister.

### 55th wedding anniversary

Last Sunday Mr. and Mrs. Edward Lackner celebrated their 55th wedding anniversary. In honor of the occasion they entertained their children at dinner. Those attending were Mr. and Mrs. E. J. Radloff and family, Mr. and Mrs. John Albrecht of Ft. Atkinson, Wis., and Mr. and Mrs. William Lackner.

Mr. and Mrs. R. D. Dibble and son, Bob, were dinner guests Sunday of their daughter, and husband, Mr. and Mrs. Edward Rowe, of Oak Park.

Mrs. Ralph Hauptly entertained her pinocle club last week, Thursday. Honors were won by Mrs. Hauptly and Mrs. Earl Friedrichs.

### Freshman at Illinois

Donald Hamburg started his first year at the University of Illinois this month. He was discharged from the army in December after serving 18 months.

Mr. and Mrs. John Heideman of Mt. Prospect were guests Sunday evening of Mr. and Mrs. Vance Folkman.

Mrs. Fred Utterback entertained her bridge club Friday afternoon. Mrs. Marvin Prellberg won high honors.

Mrs. Louise Tonne of Lake Zurich had a pre-birthday celebration at the home of her daughters, Miss Elizabeth Tonne and Mrs. E. H. Ingles, over the week end. Her birthday was Tuesday.

The "500" club met Wednesday for luncheon and cards at the home of Mrs. George Ladd. The party was to celebrate the birthday of Mrs. Ladd's daughter, Mrs. E. K. Ladd of Half Day.

Mr. and Mrs. Lawrence Traub and daughter, Jean, of Des Plaines, and Mr. and Mrs. Walter Evert and family of Mt. Prospect were guests of the Herb Hammerl family Sunday.

## Amerian Legion Auxiliary notes

Merle Guild Unit No. 208 of the American Legion Auxiliary held a regular business meeting at Legion hall Tuesday evening. There were fewer members than usual present owing to the activities of other organizations in town. The same conditions prevailing in Mt. Prospect prevented them from having as many as hoped for attend the meeting.

Five dollars was voted to the March of Dimes and the rehabilitation chairman, Eleanor Taylor, reported that a trip to Elgin would be made February 19.

The president announced that the Auxiliary and their husbands were invited to attend a joint meeting and potluck supper with the Post and their wives, which will be held February 25 at Legion hall.

## Baptized Sunday

Mr. and Mrs. Elmer Wolff of Arlington Heights had their infant daughter christened Sandra Jean Sunday at the St. Peter Lutheran church. Rev. L. V. Stephan was in charge of the christening and sponsors for the baby were Mrs. Henry Malzahn, Mrs. Ernst Wolff, Arlene Malzahn and Mrs. Harold Borg. Sandra Jean was born January 18 at the Elmhurst hospital.

## Welcome Club to have guest speaker

The Welcome Club of the Arlington Heights St. Peter Lutheran church will sponsor a Mission Endeavor Thursday, February 27, at 1:30 p. m.

Guest speaker will be Mrs. Paul Heckel, who will talk about missionary work in India, from where she has just returned. Church and club members are welcome to attend.

## Rural Youth profits at Valentine's day frolic

One of the most interesting meetings that the Arlington Hts. Rural Youth Group have had was held on Valentine's Day.

After the usual business meeting Mr. C. A. Hughes gave an illustrated talk on Abraham Lincoln. Two of Mr. Hughes' hobbies are studying history of Lincoln and photography. The slides he used along with the talk helped to illustrate it very nicely.

Mr. Hughes has sufficient material on Lincoln to give lectures covering practically every phase of Lincoln's life, but at this lecture the civil war and Lincoln's Gettysburg address were the high lights.

In order to replenish the treasury of the group a box social was planned to serve as refreshments for the evening. In keeping with the occasion the girls decorated their boxes very elaborately with red hearts, ribbons etc.

Wilbur Zaars was the auctioneer for the event, which proved to be rather costly for a few fellows. However, the net proceeds amounted to \$53.14 which will be very helpful for the annual banquet that the group is planning for May.

Melvin Krueger, with his accordion, and George Hanson with his voice, supplied the music and calling for the square dancing which preceded and followed the refreshments.

March 28th the group will present a one act play and vaudeville at the Elk Grove School on Higgins and Touhy roads.

## National Legion auxiliary notes

Two hundred and fifty new Units of the American Legion Auxiliary have been chartered during January. It has been announced from National Headquarters in Indianapolis, Ind. The Auxiliary now has 11,000 active Units, one in almost every community in the United States, its territories, and a number in foreign countries. Members enrolled for 1946 reached a total of 800,320. By mid-January 691,111 members had enrolled for 1947, a gain of 106,163 over the same date last year.

Two station wagons and a soda fountain was recently presented to the U. S. Marine Hospital at Carville, La. (National Leprosorium) by various Units throughout the country.

Columbia is the country selected for the special Pan-American study this year by Auxiliary Units throughout the country.

Dolls in characteristic costumes of the Republic of Colombia will be dressed by Junior members of the Auxiliary as part of their program of promoting better understanding of the Latin-American republics.

## Club calendar

- February—
- 20—Scarsdale Red Cross Sewing Unit at home of Mrs. O. F. Lyman, 626 Mayfair road, at 1:30 p. m.

## YOUR DENTAL I. Q.

© American Dental Association

Q: Which is better, tooth paste or tooth powder?—M. C.

A: The choice depends entirely upon the taste of the individual. Powder and paste are usually the same except for a material which is added to the powder to make it into a paste. Select one which bears the seal of acceptance of the American Dental Association.

Q: What are the advantages of going to the dentist at frequent intervals instead of every two or three years?—P. O. I.

A: Dental visits should be made at short intervals to enable the dentist to discover new cavities at an early stage, as well as to detect any other signs of disease which, if left untreated for any length of time, might cause irreparable damage. Small cavities can be corrected more easily and inexpensively than large cavities. Early dental treatment may also prevent a great deal of pain and many serious complications, as well as loss of teeth and disfigurement.

Send questions with self-addressed, stamped envelope, to American Dental Association, 212 East Superior street, Chicago, Ill.

A pleasing smile is one of the greatest social assets high school girls and boys can possess. If they can be taught that, in later life, this same smile will have an added economic value, they will readily establish a program of oral hygiene and regular visits to the dentist to preserve that smile throughout life.

## Home Bureau annual meeting to be held in Marine dining room

The annual meeting and luncheon of Cook County Home Bureau will be held February 26, at 11:30 a. m., in the Marine Dining Room of the Edgewater Beach hotel, Chicago.

A chartered bus will leave the Arlington Heights Farm Bureau at 10 a. m., and Arlington Heights members planning to attend the meeting by bus should be at the Farm Bureau at that time. The bus will then stop at the Van Driel drug store in Mt. Prospect shortly after ten to pick up members of the Mt. Prospect, Prospect Heights and Wheeling units. The bus will make a return trip about 4:30 in the afternoon.

## Arrives in Germany

Mrs. George Jensen of Des Plaines arrived in Heidelberg, Germany, January 15, the trip taking nine days from the United States. She joined her husband, Lt. George Jensen, who is stationed with the Counter Intelligence Corps there. Mrs. Jensen is the former Betty Latham of Arlington Heights and her husband is also a former Arlington resident.

The couple write that they have a four room apartment and are getting settled very nicely in their new home. Any friends who may desire to write to the Jensens may do so at the following address: Lt. George Jensen 0-1315468, 303 CIC Det. Hq. 3rd army, APO 403, % PM, New York City, N. Y.

## Chapter 992 OES notes

Arlington Heights Chapter 992 OES will hold a stated meeting February 27. There will also be a birthday escort on this evening for members having birthdays in December, January and February.

The officers and their escorts journeyed to the home of the Worthy Patron, Park Allen, Sunday evening, to enjoy a belated celebration of the Allens' wedding anniversary.

February 20 Past Officers will meet with Myrtle Frey at 7:45.

The evening of February 24 the following will serve at the Des Plaines chapter: Bessie Geisel as conductress; Loretta Kring, associate conductress; Agnes Olson, Martha; and Myrtle Frey, chaplain.

## Japan

Pvt. Howard Welflin of Wheeling has been having lots of spare time on his hands during the last month, because 8 of the 12 companies in his regiment have been quarantined due to scarlet fever, and their regular training program temporarily cancelled. Pvt. Welflin is with the 34th Infantry Regiment stationed on Kyushu Island, Japan, near the seaport of Sasebo.

Howard is a member of Co. E, known as the "Alert Co.", subject to being called out at any time. At present they are the top company of their regiment and Howard says they are working hard to maintain that place. If they succeed, they have a chance to be selected to go to Tokyo for a month as a special honor guard. According to Howard the "mail call" is just as popular with the army of occupation as it was during war days.

His address is Pvt. Howard J. Welflin, 16025405, Co. E, 34th Inf. 2 Bn., APO 24, % PM, San Francisco, Calif.

## Wheeling township home bureau

The next meeting of the Wheeling Home Bureau will be held at the home of Mrs. Louis Kirchhoff, Central road, Mt. Prospect, February 27, at 1:30 p. m.

The major project will be on alteration of the commercial patterns and will be given by the home advisor, Mrs. Claradehl Upham. The minor lesson, a study of Alaska, will be given by Mrs. Edward Fritz.

New members and guests are welcome to attend Home Bureau meetings at any time.

## Change date of music study group

The Music Study group of the Arlington Heights Woman's club, which was to have met February 19, will meet this Friday, February 21, at 1:30 p. m., at the home of Mrs. L. J. Keppler, 606 S. Chestnut.

## Bake sale Saturday

The Mother's club of the Arlington Heights St. Peter Lutheran church will hold a bake sale Saturday, February 22, starting at 1:30 p. m. The sale will be held at the Public Service store, corner of Campbell and Vail.

## At Lawrence

Ann Cox, 607 S. Pine, was among the 22 girls recently initiated into Pi Beta Phi, national social sorority at Lawrence college. Miss Cox, a freshman, was pledged to the sorority in September.

## Dagmar Lundstrom, Glen Periman married

A double ring, candlelight ceremony held at the St. Paul Evangelical church, Barrington, united in marriage Miss Dagmar Lundstrom, daughter of Mr. and Mrs. Alfred Lundstrom of Arlington Heights, and Glen Periman of Barrington. The wedding took place on Valentine's Day.

The bride was attired in the traditional white wedding gown, fashioned with a silk taffeta bodice and a white net skirt ending in a long train. She wore a fingertip veil and carried a bridal bouquet of white carnations and snapdragons. She also wore a string of pearls, which were a gift of the groom.

Matron of honor for the bride was her sister, Mrs. Carl Wendt. She was dressed in a yellow net dress, set off by white gloves, and carried a bouquet of yellow carnations with a matching spray in her hair.

The bridesmaids were Mrs. Henry Koenig and Mrs. Wm. Clinge II, both sisters of the bride. Mrs. Koenig wore a blue net dress, white gloves, and carried a bouquet of blue carnations and had a matching spray in her hair. Mrs. Clinge wore a pink net dress, white gloves, and carried a bouquet of pink carnations and had a matching spray in her hair.

Carol Lynn Wendt served as flower girl and she wore a yellow net dress, white gloves, and carried a basket of carnation petals. Ring bearer was William Clinge III, and he was dressed in white pants and a navy blue jacket.

Best man for the bridegroom was Russell Periman and serving as ushers were Gordon and Clifford Periman, all brothers of the groom.

The bride's mother wore a black dress and the groom's mother wore a light green dress. Both had corsages of pink sweet peas.

Following the ceremony a reception for 75 guests was held at 123 Wool street, Barrington. Guests from out of town included Mrs. Vivian Periman of Nevada, Missouri, the groom's mother; Mr. Thomas Cook of Los Angeles, California; Mr. and Mrs. Francis Anderson, Richard and Raymond Anderson, all of Batavia; Mr. and Mrs. Clifford Periman and twins from Monee, Illinois; Mr. and Mrs. Russell Periman and Mr. and Mrs. Gordon Periman and family, all of Woodstock; Mr. and Mrs. Robert Lundstrom and Mrs. and Mr. Knute Lundstrom, all of Round Lake; Mr. and Mrs. Harvey Foote of Woodstock and Mrs.

Normandie Studio  
Suydam and children of Naperville

The bride is employed with the Bell Telephone company in Barrington, and the groom works for the Burpee Company in Barrington. Mr. and Mrs. Periman will make their home for the present with the bride's sister in Barrington.

## Beatrice Hein says 'I do' to William Miller

Mr. and Mrs. Henry F. Hein of Chicago announce the marriage of their daughter, Beatrice M., to Mr. William C. Miller, on St. Valentine's Day. The double ring ceremony was performed in front of the living room fireplace at the home of the bride, Judge Cary M. Behrens of Arlington Heights performed the ceremony.

The bride wore an aquamarine crepe afternoon dress with brown accessories and had a deep purple orchid corsage.

The couple's only attendants were Mr. and Mrs. Harold Hildebrandt of Arlington Heights. Mrs. Hildebrandt, the bride's sister, wore a grey dress with black accessories and had a corsage of pink roses.

Mr. Miller is a former resident of Arlington Heights and is the son of Mr. and Mrs. Clarence R. Miller of Palatine. He served three years overseas with the Army, most of the time stationed in Italy. Miss Hein formerly lived at 411 N. State road, Arlington Heights and has since made her home with her father at 1409 N. Long avenue, Chicago.

### Engagement announced

Mr. and Mrs. Elmer Schalk of Park Ridge announce the engagement of their daughter, Gertrude, to George P. Rateike, son of Mr. and Mrs. Paul Rateike of Palatine.

### Gertrude Johnke engaged

Mr. and Mrs. Emil Juhnke of Elk Grove announce the engagement of their daughter, Gertrude, to Mr. George Kendall of Des Plaines.

### Announce engagement

Mr. and Mrs. Frank Wente announce the engagement of their daughter, Evelyn, to Mr. Charles E. Buenow of Chicago, formerly of Palatine. No date has been set for the wedding.

### Engaged

Mr. and Mrs. John Borre of Wilmette announce the engagement of their daughter, Marie, to Mr. John Schlessor, son of Mrs. Angela Schlessor of Niles.

### FOR SALE CHEAP

Rebuilt farm machinery including tractor, tractor and horse disc harrows, tractor, walking, sulky, and gang plows, tracs and springtooth harrows, disc carrying wheels, implement cart, manure carrier, fanning mill, corn sheller, pump jacks, broadcast grain and grass seeders, garden seeders, wheel hoe, mowers, corn planters, walking and sulky cultivators, stecker harrow, weeder and weed cutter. Everything you buy from me is guaranteed to work. Come and see my large stock.

## Cribbings from TOTVILLE

Mr. and Mrs. Earl Hofflund of Palatine are the proud parents of a daughter born February 7 at Moline, Ill. The baby has been named Reva Gayle. Mrs. Hofflund was the fifth grade teacher in the Palatine public school last year. Mr. and Mrs. Hofflund and new daughter, who have been living in Moline expect to return to Palatine around March 1.

Mr. and Mrs. Elmer Hallen of Dundee Road, North Northfield, are the happy parents of a baby girl born at the Highland Park Hospital on Monday, February 17. Little Peggy Ann is the first grandchild of Mr. and Mrs. Ray Hallen of North Northfield and of Mr. and Mrs. John W. Schmidt of Wille ave., Wheeling.

A baby girl has arrived to add joy to the home of Mr. and Mrs. John Hull of Arlington Heights. Marilyn Jane, the baby's name, was born February 18 at the St. Francis hospital, Evanston. Marilyn weighed 6 pounds 9 ounces at birth.

A candle light supper was served at the bride's home for 25 guests, at which time the newlyweds cut their wedding cake. Red roses and silver decorated the tables.

Mr. and Mrs. Miller are now honeymooning in Milwaukee, Wisconsin, and upon their return will make their home in Arlington Heights.

## Park Ridge caucus nominates men for school election

Six new members of local school boards were nominated by the Park Ridge school caucus committee at its meeting held last week.

Dr. A. G. Brodie, dean of the University of Illinois dental school and nationally known orthodontist, was nominated along with Walter H. Rohe, president member of the board, to serve three year terms on the Maine Township board.

Sam M. Vance, who at present has one year to serve on the elementary school board, was nominated by the caucus for that board's presidency. Proposed as elementary board members were Rev. John B. Hubbard, John R. Olson and Dillon L. Ross.

# Arlington tests Lake Forest and Niles in last home games

Arlington Heights second place Cardinals ring down the curtain on the Northeast conference season for 1946-1947 this Friday night when the Lake Forest Scouts come to town for the final contest. The rest of the league has finished play.

Coach Clarence Iba's Cards have had a good season this year, trouncing everyone in the league except Crystal Lake, the champs, who nosed the locals twice. In addition to second spot in the conference the Cards have split with Palatine, and have beaten Barrington and Belvidere.

The Lake Forest contest will not change conference standings, according to the experts, but the

Scouts may surprise and pull an upset. If this contest is anything like the previous meeting, the Cards will have a tough time.

December 6 the locals journeyed to the Lake county court and led the first quarter, 13-7. At halftime it was 23-11, and the Heights boys went on ahead, 32-20 in the third segment. Final period saw the Foresters revive to the tune of 20 points and come within one basket of beating the cards, 41-40.

**Niles Saturday**

Saturday night Arlington will again play at home with Niles the opponent in an extra, non-conference tilt. Northeast officials authorize a 12 game schedule.

MAC SAYS:

BY GERALD MCELROY

Only three games remain in the local conference for this coming week end and none of them figure in the standings to any extent or in determining the championships all of which were decided last week. Ela won from Northbrook for their 12th victory in 14 games while Barrington trails by a game in second place with a game at

Palatine Saturday night remaining. However the Bronchos are two games ahead of Bensenville and Palatine so have second honors clinched. Their frosh-sophs who have lost only to Bensenville need only to beat Palatine to finish in a championship tie with the junior Bisons.

**44 victories in 48 league games for Ela in last four years**

In winning their second varsity cage title in a row and the third in the last four years Ela has registered an imposing total of 44 victories in the 48 league games played in the four year span. Their four defeats were two to Barrington and one each to Palatine and Bensenville. H. L. Wesner, now Ela principal, directed the team through the 1943-44 and 1944-45 seasons, suffering but two defeats in 24 games. Last year Richard Warfield, now Wauconda principal, coached the Bears to 14 straight victories. William Lehmann, new at Ela, has continued the pattern of recent years with 12 out of 14.

Ela appeared headed for a season of but one defeat suffered at the hands of Palatine January 10, but Mertes moved to Waukegan at the end of the semester, a real blow to the Bears' chances. However, they came back strong and though dropping a game at Barrington, finished a strong champ.

**Crystal Lake sweeps league schedule**

Over in the Northeast conference Coach Max Brady of Crystal Lake, whose Tigers came close to the championship last year, piloted the Lakers to an undefeated season. Crystal Lake's only close scores were with Arlington Heights whom they defeated by one point in their first meeting and by five points last Friday. Arlington finished second, defeated only by Crystal Lake.

The Crystal Lake Tigers, like many teams of their own league, like to play a fast game. In contrast to many others Crystal Lake's boys could go the route at a fast pace. Most of their opponents were not in good enough condition to match the Tigers a whole game and Crystal Lake usually swamped the opposition in the final period.

Crystal Lake depended most of the season on Nelson and Krause at forwards; Holt, league leading scorer at center; and Scully and Franz at guards. With Nelson out the last weeks of the season Larsen took over at forward in a capable manner and Fanter filled in quite often at a guard position.

**Barrington at Palatine this Saturday night**

Remaining games for this coming week end find Arlington Heights host to Lake Forest in the lone remaining Northeast double bill. Lake Forest finished third in the league and the game should be a fine attraction. The same night in the Northwest conference Antioch will finish their schedule at Grant.

On Saturday, February 22, Palatine and Barrington will wind up the Northwest slate of games with an interesting battle on the Palatine court. Earlier in the season Palatine won, 39-32, at Barrington and the Bronchos want to make it an even break for the season. Palatine's chances of victory depend largely on holding down Walter Koehler, Barrington's individual scoring champ in the conference. Koehler has broken the league scoring record rather badly without this final game, averaging

# Jr. Bisons capture NW crown

Pictured above are the 1946-1947 Northwest conference frosh-soph basketball champions of Bensenville high school. Standing, left to right, back row: Jim Luebking, mgr.; Grant Doerman, Robert Vuglar, Ray Keller, Ralph Baldwin, Gerald Anderson, Ernest Zielinski, Alired DesLauries, Ronald Piekowski, Neal Hunt, coach Ray Wild. Front row: Augie Komay, Henry Komay, Carl Craft, Joe Brown, Richard Davis.

Bensenville's frosh-soph basketball squad finished the season last week with at least a tie for Northwest conference honors clinched. The junior Bisons, with a 13-won, 1-lost record, can be tied by Barrington this coming Friday when the latter five travels to Palatine.

Coach Wild's yearlings left no doubt in anyone's mind as to the outcome of any of their games, with the exception of the two contests with Barrington. The first meeting was taken by the junior Bronchos, 40-30, and the other by the DuPage five, 19-14. Winning margins in all other contests varied from 9 to 28 points.

Grant and Wauconda second teams both succumbed to the locals by the large tally, 49-21 and 44-16, while Northbrook fell, 38-11 in its first meeting with Bensenville early in the season.

The frosh-sophs averaged 36 points per game, passing the 40 mark 6 times. Their opponents averaged 21 tallies, only twice getting beyond the 30 mark.

**Keller leads scoring**

Just as on the varsity squad, Bensenville scoring was quite well divided among the top four scorers. Keller led his mates with 68 baskets and 31 charities for 167 points. Zielinski notched 52 from the field and sank 14 free throws for 112.

Baldwin was close behind with 38 and 20 for 102 points, while Hunt's 72 ranked fourth on the team. Hunt, however, rated the dubious honor of receiving the brunt of the referees' attacks. He accounted for 37 personal fouls of the 160 charged against the locals. Keller was right behind with 35.

**Bronch-Soph scores**

Bens. 36, Ela 26.  
Bens. 29, Antioch 15.

Total 507, Opponents 293.

**Palatine vs. Elgin**

Palatine has been allotted 300 tickets for its encounter with Elgin at 6:15 p. m., Wednesday, March 5. Arlington, playing the Hebron district winner at 8:30 that night, has been allotted 700 ducats as its share of the 1200 seats available.

Dundee plays McHenry in the opener Tuesday, March 4, with Crystal Lake playing Woodstock in the night cap. Thursday, March 6, winners of the first two games, probably Dundee and Crystal Lake will compete on the early shift. The other winners will play in the night-cap.

Final game will be played Friday night, March 7, at 8 p. m., with Elgin and Dundee seeded to meet.

**Arlington frosh lose to Leyden**

Arlington's Freshman basketball team took it on the chin Thursday afternoon when they played host to Leyden, the locals succumbing, 45-24. Two outstanding players on the Franklin Park squad, guard Spera and center Loifgren, accounted for 14 and 16 points respectively of their squad's total.

Gordon Busse again led the junior Cards at the hoop, notching 8 tallies. Quarter scores, always in favor of the winners, were 12-3, 18-13 and 32-15. The Franklin Parkers have taken victories in both meetings with Arlington.

The frosh have two games remaining on their schedule. Niles travels to the Heights this Friday, and Lake Forest arrives Monday for double header frosh and all-sophomore games.

**Barrington whips Antioch soundly, 57-48**

Barrington took their 10th conference victory of the season Friday against three defeats by whipping Antioch soundly 57-48. The Bronchos showed the best balanced scoring punch of the season as seven men scored two or more field goals apiece. Koehler, as usual, led the Bronchos with 15 point total but Jepsen had 12 and Jahneke eight.

Dan Jones had 14 and Osenbaugh 13 for Antioch who suffered their sixth defeat.

Barrington blasted the Antioch frosh-sophs for a 50-21 drubbing.

**Score by quarters**

Team	1st	2nd	3rd	4th	Total
Barrington	17	25	35	57	114
Antioch	6	17	24	48	95

# Opens Tuesday

# Nine local schools to vie for Wauconda district title

Nine teams will aim their sights on the district championship starting next Tuesday at Wauconda when the district tournament of the Waukegan region gets underway. The first night schedule calls for three games with the Grant-Grayslake tussle determining who will oppose Barrington the second night. Lake Forest, the tournament favorite, takes on the host school in the second game on Tuesday with the winner meeting the victor of the Antioch-Warren contest in the Thursday semi-finals. On Wednesday Ela meets Northbrook whom they

**DISTRICT TOURNEY PLAYING SCHEDULE**

**Tuesday, Feb. 25**

6:30 Grant vs. Grayslake.  
7:45 Lake Forest vs. Wauconda.  
9:15 Antioch vs. Warren.

**Wednesday, Feb. 26**

7:30 Ela vs. Northbrook.  
9:00 Barrington vs. Grant-Grayslake winner.

**Thursday, Feb. 27**

7:30 Tuesday winners.  
9:00 Wednesday winners.

**Friday, Feb. 28**

8:00 finals.

played in the season final while Barrington, the lower bracket favorite takes on an easy foe in the winner of the Grayslake-Grant game. Grant has lost all their games this year while Grayslake has won only one.

Lake Forest, third place team in the Northeast Conference and winner of the Palatine holiday tournament, is the favorite to win the tournament and advance to the Waukegan regional. Lake Forest has height and speed and a couple of very good point producers in Bob Burns and Bob Fries. Coach Art Serling's Lake Forest Scouts are hoped to play and beat Antioch in the first semi-final game Thursday night.

In the lower bracket Barrington and Ela appear certain semi-finalists. On the basis of their recent meeting in which Barrington drubbed Ela 49-31 it would appear that the Bronchos should advance to the finals. Ela, however, is a strong competitive team and their defeat at Barrington occurred in a very rough and poorly officiated ball game. Under different conditions Ela might have bettered but the loss of their tall forward, Mertes, has hurt them plenty and Barrington still has the edge. Led by Walter Koehler who has scored 202 points in 13 league games, Barrington has their mind made up to dump Lake Forest in the finals. Lake Forest beat Barrington in the holiday tournament final at Palatine by a narrow margin and the same two are rated the best chance of clashing again at Wauconda Friday night. Barrington has never won a district tournament. This may be their year.

The tournament officials will be Mike Rose and Al Grosche, an extremely capable and popular pair of whistle tooters.

# Cinch second Arlington loses title to Crystal Lake five

Arlington's chance for a share of the Northeast conference title faltered last Friday night when it was overpowered by the new Northwest conference champions, Crystal Lake, in a thrilling contest, 48-43, on the victors' floor before an overflow crowd. Again it was the 3rd quarter that was the jinx as the Lakers ran up 17 points to the Cards' 10. Also the little black line stopped Heights as it hit only 7 free throws to Crystal Lake's 14. This victory gave Crystal Lake an undefeated championship in the Northeast conference.

The first period was a rapid scoring one as both teams ran up 13 points. It was the two big centers that led their teams in this quarter, as Allan Stroker of Arlington and Don Holt of Crystal Lake each tallied 3 field goals for 6 of the 13 points. Bill Robinson was right behind Stroker in Arlington's scoring with 4 points while the other 4 regulars of Crystal Lake each tallied at least 1 point.

The second quarter jinx again fell on Heights in the next period as the Tigers ran up 10 points to the Cardinals' 5. This put the Lakers out in front at half time, 23-18. Scully was the leader of the Wildcat's attack with 4 points and was followed by Holt who connected for 3. Stroker again sparked Heights with 4 points.

The third quarter was the true downfall for the Cards as they were snowed under by an avalanche of free throws and field goals from which they were not able to recover. The Wildcats were really hot in this quarter as they ran up 17 points, consisting of all 5 of their free throws and 6 goals from the field. Once again Don Holt was the leading scorer for Crystal Lake as he flipped in 7 points. Heights in the meantime, led by Bill Klein-er's 3 points, was getting only 10 to give Crystal Lake a 12 point lead, 40-28, going into the last period.

Arlington's spirit did not re-lapse, however, in the final quarter. Although knowing that overcoming 12 points was quite a

# Brown Bombers, Detroit Eagles at Bensenville

Three of the nation's finest basketball teams will be at Bensenville high school gym March 2. The Chicago Brown Bombers, one of the greatest crowd pleasing teams ever to perform, the Detroit Eagles, world champs of 1941 and runner-up in 1942 before disbanding during the war, will compete. The attractions do not end here, however, as the Chicago Clippers, former N. A. A. U. champs play the "Fifty Joes" team which is composed of Bensenville stars of former years.

One of the aces of the Eagles team is Max Burnell, all around athlete from Notre Dame who

proved his versatility by playing football in 1944 and 1945 with the Chicago Bears.

To match Burnell, the Bombers have Al "Runt" Pullins, one of the immortals of the "Harlem Globe Trotters" who was picked by owner Saperstein for the All-Star, All-Time team of Globe Trotters, an honor comparable to none.

In the second "game of the year" the following former Bensenville stars will play the Chicago Clippers, David Rands, guard, of the 1945 championship team whose defensive ability has always stood out; George Benham, accurate set shot artists and all-conference guard of the 1944 team; "Yutch" Standard of the same team with his "almost impossible to block" hook shot; Wally Tett, forward and leading scorer of the 1942-1943 squad; at center, Wilt Miller, great rebounder and sharp, tricky passer. These men round out the first squad.

Admission is one dollar.

## Tough game

# Realtors lead all the way to beat Lake county champs

As was expected, the LaLonde Realtors ran into some terrific opposition last Friday when they gained revenge on the Libertyville American Legion team by a 45-38 margin on the Palatine court.

The Lake County champions came to Palatine with an unblemished record, having beaten such teams as Great Lakes, New Hoistein Athletic Club, State champions of Wisconsin, and the Waukegan Moose.

Hollinger started the evening off with a hook shot from the side with Hildebrandt contributing a charity toss shortly thereafter to give the Realtors a 3-0 lead which was short-lived as Grimes pushed through a sucker basket and added the free throw. Hildebrandt then rebounded a bucket and Hollinger added three more baskets to give the charity tosses to the Palatine boys a 12-8 lead at the conclusion of the first segment.

Grimes and Ladd put two fast baskets in to inaugurate the second quarter and knot up the score at 12 all. The score was tied up most of the second quarter until the final minute when

Hollinger and Hildebrandt contributed two quick buckets to give the Realtors a 21-17 lead at half-time.

At the outset of the third quarter the Palatine boys, realizing they could not cope with the terrific height advantage that Libertyville had on them by playing a slow game, quickened the pace and set up a fast break that had Libertyville on their heels. Hollinger hit for three baskets while Stinson, Harris and Snyder were contributing one each to give the locals a 34-23 advantage at the end of the third quarter.

Apparently the Libertyville boys couldn't stand the idea of losing a game and play became very rough in the fourth quarter. In one instance Hollinger and Priebe dove after a loose ball and tied it up. Dollenmaier, standing at least 20 feet from the play, for some reason known only to himself, dove on Hollinger with fists flying after the whistle had blown and a brief free-for-all ensued with both spectators and players participating.

After order was restored, play was resumed and Harris and Hollinger added 11 points to give the Realtors a 45-38 win. Hollinger led the scoring with 24 points while Jim Ladd, ex-Elia star led the Libertyville aggregation with 10 points.

In the preliminary contest the vastly improved Realtor reserves poured it on the Barrington Rangers by fast breaking to a

## Wauconda edges Grant five, 27-23

Wauconda edged out Grant 27-23 last Friday. It was Grant's second strong bid of the season for a victory as they tied Wauconda with three minutes to go but could not last. In an earlier meeting Wauconda won by two points. It was Grant's 13th straight defeat of the league season. Haiman's nine points for Grant topped the scorers for both teams. Mathews and Bliss had eight each for Wauconda.

Wauconda pulled away after the first quarter in the Frosh-Soph game and won easily 32-22. Fink had 13 points and Schotanus nine for Wauconda. Hamer scored 11 for Grant.

Wauconda (27)		Grant (23)

Score by quarters		8		15		19		27	
Wauconda	8	10	13	23	23				

## Libertyville Wildcats win over Woodstock

Libertyville's Wildcats repulsed Woodstock High's cagers, 38-24, Friday night in a Northeast conference basketball game. Don Borell scored 14 points to lead the 'Cats, who led 16-10 at half-time.

In the preliminary, Woodstock's lightweight clinched the conference title in their division, beating Libertyville's ponies, 33-26. Ken Meyers tallied nine points for the local school which trailed by only one point with two minutes of play remaining.

## Realtors beat Northbrook in benefit game

The LaLonde Realtors traveled to Northbrook Saturday and steam-rolled their way to a 68-45 win over a good Northbrook American Legion team. The game was a benefit performance for the March of Dimes and a full house was on hand to witness the double-header. In the preliminary contest the Northbrook High School team was subdued by the Alumni of that school 45-41.

Wilson opened the scoring with a charity toss but Hildebrandt came right back with a basket to give the Realtors a 2-1 lead which Northbrook quickly nullified on a basket by Santucci. Northbrook took the lead here and ran up a 10-7 count midway the first quarter thru very aggressive play which the Palatine boys finally solved and assumed a 19-17 lead at the end of the first quarter. In the second quarter Vogt, Bob Howes, Hildebrandt, Harris, and Millay collaborated to run the count up to 33-26 while Wilson was carrying the entire Northbrook offensive 9 points.

The Palatine starting line-up of Hollinger, Stinson, Hildebrandt, Harris, and Snyder finally found the range at the outset of the third quarter and really poured it on to gain a 56-33 advantage at the conclusion of that segment. The fourth quarter saw play slow down with both teams exchanging free throws and futile looks at the score board.

The Palatine scoring was evenly divided with Hildebrandt leading the Realtors with 17 points while "Bucky" Harris hit for 13 and Hollinger 11. The win at Northbrook extended the Realtor win streak to 15 in a row. The team has taken on all comers and has beaten two of the three teams that took the measure from them. The only exception is Dundee, and they have refused to play a return match with the Palatine aggregation.

The Realtors have been invited to the Bi-State tournament to be held at Libertyville March 12, 13, and 14 with the best independent teams in Northern Illinois and Southern Wisconsin competing. Lack of interest in Palatine has forced the team to play on the road most of the season with the result that only one more home game will be played at the high school gym and that date will be filled by Lake Forest on the 28th of February.

## Churches of Mt. Prospect to conduct church survey

In the afternoon of Sunday, March 9, workers from all the churches in Mt. Prospect will go out calling on their neighbors in conducting a church survey.

The occasion for this neighborly procedure is first of all to take a church census of the village, which will enable the churches of the community to determine the measure in which they are reaching the residents with the services of the church. Since there have been many new families moving into the community, the churches feel

this is a very personal way of extending a sincere invitation to every new, or comparatively new, resident to attend the church of his choice.

If everyone will inform the workers as to the church of their membership or preference in the community, that church will, upon receipt of that information, extend a personal welcome to their Christian fellowship.

The workers will appreciate the cordial response of every home in this effort to bring the welcome and service of the church to every family.

The cooperating churches are: St. Paul Lutheran, Rev. J. E. A. Mueller.  
St. John's Episcopal, Dean H. E. Ganster.

## 18 Members Accepted Into Honor Society In Candlelight Ceremony

The James Scott Chapter of the National Honor Society of Secondary Schools held its initiation program on Tuesday evening, February 4, in the cafeteria of Arlington Heights high school. In a solemn candlelight ceremony, the following students were taken into the membership of this organization: Robert Blackburn, Patricia Brock, Robert Claus, Lucy Donlea, Joan Haugen, Carolyn Kraybill, William Lang, Betty Price, Clarke Robinson, Kenneth Gronert, Patricia Kule, William Lasley, Joanne Leckband, Joan Mors, Nancy Nickols, Dorothy Schlemmer, Marilyn Schemmer, and Marion Warner. As Bill Kleiner read the names of the new members each was escorted to the front by one of the old members and given a candle by either Mary Lou Fasick or Barbara Paulus.

An expression of appreciation was extended to the Honor Society sponsors, Miss Bradley, Miss Volz, Mr. Conrad, and Mr. Paulus; also Mr. Schmoeyer for having the string ensemble furnish the professional, recessional, and background music throughout the program, and to the triple trio which sang "The Lord's Prayer" and "I Would Be True."

The initiation was attended by ninety people including only the faculty members and the parents of the honor students. All were invited to attend the tea which followed the program; and they had the pleasure of looking at the scrap book which contained all articles about the Society or any member thereof since its origination in 1941.

## Heart Insurance

by C. W. LUSSMAN  
of Sieburg Drug Co.

You can insure your hearts against damage just as you insure your car, and the premium is less expensive.

A yearly examination by your physician will make it possible to detect any irregularities in the body that might cause undue strain upon the heart. It is as simple as that.

Such an examination involves little time and expense, yet it is the best insurance investment you can ever make.

Medication should be considered an investment too, so obtain the most for your money by purchasing drugs from a reliable pharmacist.

This is the 368th of a series of Editorial Advertisements appearing in this paper each week.

## "I'M A CATTLE BUYER AT THE STOCK YARDS"

I work for packing firms, selecting beef on the hoof in this greatest live animal market in the world. Every day, in my job, I see live stock from the western ranges and farm products from the Mississippi valley pour in here by rail and by road. That's what makes Northern Illinois the biggest center for food processing in the country. I like this job and it's to my advantage to work at the very hub of the food industry. My wife and kids enjoy living in Northern Illinois and get a lot out of its fine educational and recreational features.

This cattle buyer knows what he is talking about. He is one of a hundred thousand people employed in the food industry in Northern Illinois—where a billion dollars worth of food products are processed every year—where more fresh beef, mutton, lamb, pork, sausage and lard is produced than anywhere else in the world.

And because the Middle West is the nation's granary, Northern Illinois is also a huge grain distributing center. The Chicago Board of Trade handles 86 per cent of the entire nation's trading in wheat, corn, oats, rye, barley, and soy bean futures—the largest market of its kind in the world. With an ideal balance among industries, trades and agriculture, this area is indeed the heart of the world's richest inland empire.

For the long range future, this evenly balanced economic area provides many outstanding advantages to business and industry. The theme of this advertisement is similar to one of a series emphasizing the outstanding advantages of this area, which we are publishing in national magazines and newspapers throughout the country. As a resident of Northern Illinois, these are facts you, too, should know.

Industries locating in this area have these outstanding advantages: Railroad Center of the United States • World Airport • Inland Waterways • Geographical Center of U. S. Population • Great Financial Center • The "Great Central Market" • Food Producing and Processing Center • Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of Power • Tremendous Coal Reserves • Good Government • Good Living • Good Services for Tax Dollars. Send for free booklets containing useful information on these advantages.

## Barrington cagers to test rivalry at Palatine Saturday

There is no championship at stake or even a radical change in the standings of the teams yet the Barrington basketball game at Palatine Saturday night is the top game on the schedule for both schools. The reason is a rivalry which has developed between the two schools, of a friendly yet intense type, which makes their meetings in athletics a top attraction.

Before last year Palatine had taken the Bronchos down to the tune of 12 straight beatings over a six year period. Last season Coach Franklin Graham's veteran team disappointed as far as conference rank was concerned but regarded the season a success by whipping Palatine twice. This year the Pirates had quite an edge over the Bronchos in early December game but Barrington has improved and right now is a mighty tough outfit to eat.

Coach Paul Fry's Barrington team is led by Walter Kocher, the highest scoring guard the league has ever known and right now a new scoring record holder with one game still to be played. Kocher shoots them long, he hits them on drive in shots, and he pops them in from the corners and the free throw line. He is fast and aggressive and that goes for most of the Bronchos though aside from Kocher the scoring is evenly divided among a half dozen or more boys including Jahnke, Doenecke, Henning, Savelly, Pomeroy, Jeppson, and Weber. On the basis of recent scores Barrington should be the favorite Saturday night but the game will probably develop into a toss up and be like so many of the home games Palatine has played.

Palatine has had home games decided in the final minutes of play against St. Charles, Antioch, Arlington, Bensenville, and Elia. The Barrington game shapes up as the same kind. The big question is who on the Palatine team can guard Kocher well enough to keep his point scoring to reasonable proportions. Palatine has slumped to the extent of losing the last two games to Elia and Bensenville but will be the last home appearance of Kolze, Zoellick, Gustafson, and Birks, Palatine's graduating regulars, and they will be tough to beat with Barrington the opponent.

## Party fetes 10th birthday of church

by ARNOLD HATCH

The 10th anniversary celebration of South church, Mt. Prospect, February 14th, was highlighted by the attendance of several guests of honor, an appetizing dinner served in Fellowship Hall, a church birthday cake ceremony, songs, humor, good fellowship, and later in the evening, in the church sanctuary, an inspiring address, "The Dimensions of a Great Church," by Dr. Ralph G. Schell, with Ralph Gould, moderator, presiding.

Among the guests of honor were:

Dr. and Mrs. A. M. McDonald, past executive secretary Chicago Baptist Association, Dr. and Mrs. Ralph G. Schell, pastor Morgan Park Baptist church, Rev. and Mrs. Paul W. Starring, pastor Baptist church, Barrington.

Each guest related episodes or personal experiences befitting this occasion. The anecdote given by Mrs. Schell brought forth loud shouts of laughter, increasing the festive spirit no end.

### Selfish Acts

Nearly all ant instincts, including those that might pass for love, self-sacrifice and bravery, are believed to be based on hunger.

### SINGER

TRIED TO DISPROVE THE OLD SAYING THAT "THEY NEVER COME BACK"—THE FORMER LIGHTWEIGHT CHAMPION CAME OUT OF A 4-YEAR RETIREMENT TO TRY TO REGAIN HIS LOST LIGHTWEIGHT LAURELS.

## RAMBLE INN 'N OUTINGS

Bill North

The weather man assures good weather, the almanac assures a moon, and Ramble Inn assures you a good time at the long awaited Roller Jamboree this coming Monday, February 24. Whether stag or with a date you will find that the ride out to the Fox Roller Rink in Elgin and the time you'll have once there cannot be excelled.

All members are invited. The cost is little the fun much. From Mt. Prospect to Prospect Heights, you'll find everybody is going to be at Ramble Inn, Monday, February 24 at 7:00 p.m. for the second big Roller Jamboree. Make sure YOU're there too.

This week's Youth Center tribute goes to Gus Ladas, an outstanding Arlingtonite. He has organized and worked upon many of the Youth Center clean up committees, a vital job at Ramble Inn. Gus is rated by Mrs. Mills, a former Arthur Murray instructor, one of the top dancers, both jitterbug and ball room, at the Y. C.

Jhn Shanley, center of Arlington's J. V. basketball squad, seems always to be in rare form in the Y. C. game room or on the dance floor... Al Stroker, center of Arlington's varsity basketball squad, puts his big hands to use on the piano at the Youth Center and beats out some mighty fine music... Where did Norm Spratt's brother get that wicked serve?

Last night, Wednesday, February 19, the officers of the Y. C. held their second meeting of the year. One of the problems discussed was the difficulty in finding workers for the clean up committee. Bulk ice cream cones have given way to Dixie cups at the coke bar to facilitate its management.

Maine Township High School students still hold the visiting record here at Ramble Inn. Among the recent visitors from there are Schelle Pollenz, Connie Schramm, Jerry Kalal and Dud-

## Porep has big auction

The auction of Ralph Porep south of Palatine last week was one of the most successful sales held in this area in many a day.

With a break in the weather that brought a beautiful sunny day following the cold spell, a record crowd estimated at 2,500 people attended the sale.

A huge volume of business was transacted in four hours time and the manner in which the auction was handled was a tribute to the ability of the auctioneers Moehling and Benhart, with the able assistance of the clerks, Mr. Bergman and his daughter, Myrtle.

Fine prices were realized for the various items up for sale and it was a cash on the barrelhead transaction, not a single buyer asking for time.

The ladies of the Palatine Legion Auxiliary looked after the well being of the big crowd by serving coffee and sandwiches.

The peanut stand was so popular that peanut shells covered the ground.

If the Porep auction is any criterion, the spring sales are going to be big affairs.

## TOP O' THE NEWS

Prepared by Agricultural Dept., Chicago Journal of Commerce

### Farmers Using Corn Loans

REPORTS from many important sections of the corn belt indicate a considerable quantity of corn will be placed under government loan this crop year. . . . In spite of a record production which ordinarily would cause price easiness throughout the year, farmers appear to believe that by using the loan privilege as a sort of insurance or hedge against price decline, surpluses can be worked off to good advantage, both from standpoint of feeding and disposal for cash.

Unquestionably, the decision of government officials to move a large quantity of corn overseas during the coming six months is a factor in the holding attitude of producers. . . . But at the same time it is believed that prices for livestock will remain high enough to make feeding profitable through the Summer and Fall period, or until next crop is harvested.

The trade generally believes that price of cash corn will be controlled by the volume purchased to move abroad. . . . In this connection, attention is called to the domestic transportation situation and competition of other commodities for available vessel space. . . . At present, movement of coal from this country to Europe is unusually heavy and taking up a large part of space that could be used for grain and other products.

Ordinarily Europe produces all the coal she needs, but disruption of mining facilities makes those countries as dependent on the United States for fuel as they are for food. . . . Coal is the obsession of every nation in Europe. . . . It is needed desperately for locomotives, for factories, for heating, and some authorities believe the need will change little with coming of warm weather.

Because of the great need for both fuel and food, reports from abroad state that Europeans are wondering how long and far they can count on United States support in their efforts to avoid communism.

## Arlington choir enjoys party

The members of the Melodia Dancers, Arlington Heights, enjoyed a delightful party at the home of Miss Lillie Hartmann Saturday evening, Feb. 17, when three of their members announced their engagement. Interesting games served to make it an unusually pleasant affair and it was midnight before the young ladies bid their hostesses good night.

## Band concert a success

The band concert at Arlington Hall Friday and Monday evenings is past. The different numbers were well rendered and showed an improvement over the work done last fall. It was a good program presented by local talent only.

Encores had to be played by Mr. Breese on his cello, Miss Kortan on her violin, Wm. Kehe Jr. with his cornet. The trio, consisting of violin, Miss Kortan, cello, Mr. Breese and piano, Mrs. Breese, had to play extra numbers, too.

## Addison teachers meet in Schaumburg

Saturday, Feb. 17 the members of the Addison Teachers Conference met at the parochial school, Schaumburg for the double purpose of holding their monthly conference and of celebrating the 25th anniversary of Mr. and Mrs. Meinke's wedding.

A dinner was served to the guests at the home of the teacher. Several of the visiting teachers' wives were also present, also Rev. Theiss, the local pastor. At the dinner table Prof. Krentz of Roderburg addressed the silver bride and groom.

## Arlington couple return from Cuba

Mr. and Mrs. J. V. Whitling, Arlington Heights, arrived home Tuesday from a very delightful pleasure trip. They left Arlington Heights four weeks ago for Washington, D. C., going from there to New York City, thence by boat to Havana, Cuba, returning by way of Key West.

They say that throughout Florida and Georgia one night there was a heavy frost, causing a loss of millions of dollars in grain and vegetables. The thermometer registered 2 below zero at Atlanta, Ga. This is the locality from which the early vegetables are shipped, consequently the high cost of living will continue or be increased.

—1917—

## Valentine party in Bensenville

Many children, as well as older people, enjoyed a very pleasant time Wednesday evening, Feb. 14, at the home of Mrs. E. A. Schultz, Bensenville where a Valentine party was given in honor of little Clitford. The children themselves in little dances while their elders played rummy. Champion rummy player, Mrs. Senne, received a pound of butter.

## Police protection asked in Arlington

Arlington Heights runs a great risk without any day or night police protection. Two or more police are needed. If the professional burglars knew the facts they would come here and make a big haul. Palatine and other sister villages employ two or more police to protect their people and property from thieves, fires, etc.

## \$26 fine for cutting down tree

Considerable dissatisfaction is being expressed throughout the community by farmers who own wood lots. Notices have been served that they should not cut down any more trees under penalty of a fine of \$26 per tree. Those who depend upon their wood lots for fuel and have not got a supply on hand are in an unusual position. They have been offered \$75 per acre, but nearly all hold their land higher and in the majority of cases they do not want to sell.

There is no doubt, however, that too much woodland is being destroyed and as there are two sides to the question there will be no doubt some test cases tried in the courts.

—1917—

## Basketball double header at Palatine

A double header will entertain the Palatine basketball fans this Saturday. The Epworth League will play the Arlington Heights Northern A. C.'s and the high school girls' team will play the girls' town team.

The members of the town team are enthusiastic basketball players of no mean ability although they have played very little in public. The line up will be taken from the following: Misses B. Bollmann, C. Schultz, Clara Schenk, M. Godknecht, S. Voss, G. Grose, D. Knigge, C. Gainer, M. Wallace, L. Paddock, Mesdames P. H. Matthei and H. Knows.

The high school girls are fully confident that their speed will offset the greater weight of their opponents.

## Tales

## of the STREET

BY T. C. HART

## CITY GOVERNMENT

Arlington Heights and Palatine are both growing rapidly and the question is being asked by residents of both villages, "Why don't we have a city form of government?"

Well, why don't we? If sufficient people are interested in a city form of government a petition requesting the village officials to call an election is all that is needed to start the ball rolling, and such a petition doesn't have to have such an awful lot of signatures.

Folks who favor the city form of government point out that under city government aldermen would be elected by wards and not all the board elected at large as is the case in a village government. Election of alderman by wards, they point out, gives a more representative to the people of each section of town, as every alderman would be alert to conditions in his ward and would bring anything needing attention to the notice of the city council.

Making a complaint to an alderman would get quicker action from an official living in the neighborhood than it might if made to an official "at large" with no particular interest in any particular section.

Then if the wards were made to coincide with election precincts the people of the ward would not only have an alderman looking after their interests but also two precinct captains and with that sort of representation a lot of little things that may now be overlooked would be brought to the attention of the city council. Both Arlington Heights and Palatine have new sections which are building up fast. The residents of these sections are entitled to a voice in affairs. Under a city form of government they could select their alderman from their particular ward while in a general village election the new residents' candidate could well be lost in the shuffle of running against a ticket of "old timers."

Yes, people are talking about the city form of government in these fast growing villages and there are many things that can be said in favor of such a system. It might be well for the officials and civic leaders of these communities to give serious consideration to the question of a change.

## ELECTIONS

In Arlington Heights the folks are politically-minded. Two full tickets were ready to be filed when the village clerk opened his office on the morning of the first day for filing. In Palatine you don't hear a word about elections. Don't even know whether the old officials whose terms expire are going to run again or if any new candidates are thinking of entering the field.

There is plenty of time yet as March 11 is the last day for filing and election is April 15. That gives plenty of time for a campaign in a small community.

SUPPOSE fascism suddenly came in the form of a military coup d'etat, in which the army, the air-corps, and the navy took over the cities and towns.

REX WARNER

## It Happened Here

When the Chicago Museum of Natural History (Field Museum to us) made a mistake. It is the Museum's pleasant custom to send cases of natural history to the schools that the children may see and learn about flowers, animals and birds in their natural colors and habitats. The kindergarten loved the stroll down the hall to look at and admire what the case had to show this time. This time they showed what birds ate and how they got their food; the children were delighted to see the hummingbird sipping honey from a trumpet flower, the woodpecker searching the tree trunks and other birds finding seeds but when they saw a hawk impaling a small bird they lifted troubled faces to Teacher. One little boy spoke for all. "If that was a real bird in there I'd break the glass and take that little bird away from the hawk and I'd hold him so he wouldn't get stepped on when he's so hurt and I'd take him to his Papa's and his Mama's nest." Soberly the group agreed and that case with the mistake in it was not revisited.

—SAMUSER.

## TWILIGHT

If there were no atmosphere over the earth's surface there would be no twilight. According to the Encyclopedia Britannica, the absence of atmosphere would cause darkness to set in sharply at sunset; but with it even when the sun is some distance below the horizon, the upper layers of air are illuminated and reflect light.

Testimonial advertisements are not native in America, nor are they new, we find out from reading Max Beerbohm's "Mainly on the Air." Mrs. Lily Langtry, one of the most celebrated beauties of Victorian England, shocked her contemporaries when she allowed engravings of herself to be sent out by a soap company with the caption, "For look you, she is fair as a lily!" And Mrs. Weldon, the famous litigant, went even further, when she permitted a portrait of herself to be subscribed, "I am forty-seven, but my complexion is seventeen."

## THE FENCE POST

Letters to the Fence Post should be short and concise. All letters must be stamped, though some will be withheld if desired. Address Fence Post, Paddock Publications, Arlington Heights, Ill.

## Call Palatine village officials to task for icy streets and negligence of C&amp;NW

## ABOUT PARKING

Answering the inquiring reader, I read in your last Palatine issue in the "Tales of the Street" about the Chicago and Northwestern Ry. vs. the City of Palatine. This, to my estimation should be C. and N.W. Ry. and Palatine's officials vs. the residents of Palatine. If Palatine has an ordinance prohibiting the passing of trains at the local station, then why don't they (the Village officials) do something about it? We are getting about as much action on that matter as we are on the icy streets. From the time the first ice hit our city streets there were only three times that stones or cinders were spread on the Wood street crossings. All of our local school buses travel that street at least 5 to 6 times daily.

Recently when one of the local school buses failed to stop due to the condition of the street and trying to avoid an accident, it was spread around town like a smoke screen. It certainly wasn't realized that it was actually the fault of the street department to remedy the icy streets by putting cinders at these slippery corners. Instead of doing this, the bus drivers are called "cowboys."

I can assure you that each and every school bus driver is more interested in the safety of your children than any of the people responsible for the lack of cinders on Wood street!

Palatine is trying to keep pace with Arlington Heights as far as fire and police equipment is concerned, but what about a little safety measure for our children? Is it that you do not care or what really seems to be the trouble?

One incident happened in a recent snowstorm—the school drive at Arlington Heights was plowed out within an hour after the snowstorm and during the same period Wood street in Palatine was not plowed out for three and a half days. Why? That's what we would like to know!

Local Bus Drivers Harry M. Leeding Palatine

live by being courteous when he drives considerate of the other drivers and stops racing from the highway to his home for two or three blocks just because his car will go fast or he's trying to show off or because he kills someone or something he'll say, "I'm sorry."

Every father or mother can take a lesson from the local police who set an example for them as well as the sons and daughters who drive.

Practice the same courtesy when you drive as you do when you meet your fellow motorist socially.

Newcomer Arlington Heights.

## ICY STREETS

Being a Paddock Publications reader, I read in your last Palatine issue in the "Tales of the Street" about the Chicago and Northwestern Ry. vs. the City of Palatine. This, to my estimation should be C. and N.W. Ry. and Palatine's officials vs. the residents of Palatine. If Palatine has an ordinance prohibiting the passing of trains at the local station, then why don't they (the Village officials) do something about it? We are getting about as much action on that matter as we are on the icy streets. From the time the first ice hit our city streets there were only three times that stones or cinders were spread on the Wood street crossings. All of our local school buses travel that street at least 5 to 6 times daily.

Recently when one of the local school buses failed to stop due to the condition of the street and trying to avoid an accident, it was spread around town like a smoke screen. It certainly wasn't realized that it was actually the fault of the street department to remedy the icy streets by putting cinders at these slippery corners. Instead of doing this, the bus drivers are called "cowboys."

I can assure you that each and every school bus driver is more interested in the safety of your children than any of the people responsible for the lack of cinders on Wood street!

Palatine is trying to keep pace with Arlington Heights as far as fire and police equipment is concerned, but what about a little safety measure for our children? Is it that you do not care or what really seems to be the trouble?

## ARLINGTON SOFTBALL

It has come to my knowledge that softball will be played at the park. What I would like to know is who are the teams? What are the rules, etc. If the Athletic Club of Arlington is running it, it is about time they let the general public know about it. I think it is about time this league was started, so that it won't wind up behind the eight ball like last year.

Here is a challenge for the high school students. I think that the boys going to high school are afraid to get into the softball league. What is the matter with the spirit of the young boys of this town?

Dolly Arlington Heights.

HIT AND RUN To the truck driver who ran over and killed our dog "Prince" February 17, 7:45 a. m. on Plum Grove and Algonquin rds.

We don't know whether it was deliberate or accidental, but the least you could have done was to have the decency to stop and put the dog on the side of the road instead of speeding on. Drivers like you would most likely have the same regard for a human life as you do for a dog. Your type is a menace to society.

Heartbroken Roger and Bruce Palatine.

## THE MAILMAN'S CORNER

by LELAND ELLIS TRUXELL

You do not have to read "How to Win Friends and Influence People" in order to learn to like other people. All that you have to do is to get acquainted with Mattie. But of course Mattie has made a hobby of it. There was a time when she didn't have a friend in the world.

"It just seemed that no matter what I said, I made people angry," she told me one day. "And then I woke up."

"What do you mean by 'woke up'?" I asked as we walked along on the way from my district to the bus.

"I began to realize that unless I made some changes in my relations with other people, I was going to be a mighty lonely person."

It was then that Mattie decided to make a hobby of collecting friends. She sat down one afternoon with a pack of index cards, and on each card she placed a person's name. She wrote down as many likes and dislikes that her acquaintances had that she could remember. She found out their birthdays, anniversaries, and so on as she could, and remembered to send cards on those days. She tried to figure out what she had said or done to make these different persons dislike her company. When she heard of some one of them being sick, she sent get well quick cards.

"I began to ask myself, 'Mattie, what have you ever done to make people like you?'" Mattie said. "And I was surprised to find how little I had tried to make real friends, and how many character traits, had many little babyish habits I had carried from childhood which were irritating and disagreeable to other people. I found that I was jealous and showed it in my manner of speech and action. I could not think of anyone getting a compliment that I was not getting, or being loved and respected by other people. Actually, I found myself doing things and saying things to break up friendships and belittle the accomplishments of others, in order to make my own ego shine the brighter. And I surely didn't make friends by it."

phy on to you, folks. It consists merely of an application of the golden rule with your relationships with others. "I try to do things and act in a way that appeals to other people," is her whole secret. She didn't have to lose her pride, or belittle herself to win friends. She simply treated them in a considerate and thoughtful manner. That's all there is to making and keep-

Your weekly treat recipe

Added interest in your breakfasts, luncheons, or suppers can be gained by serving Cottage Cheese Pancakes. They're tops for flavor, and served steaming hot, they'll make an attractive dish for your family or friends. With this week's recipe, you'll be able to make twelve small pancakes.

**Cottage Cheese Pancakes**  
1 cup Creamed Cottage Cheese  
3 Eggs  
1/2 tspn. salt  
1-3 cup flour  
2 tbspn. Butter  
powdered sugar  
Method: Drain the cottage cheese through a sieve. Beat the eggs thoroughly and add the cheese, butter, salt and flour. Do not over mix.  
Fry in individual small pancakes.  
Sprinkle each pancake with powdered sugar and spread with jelly.

Cook County Board actions

Additional help for Forest Preserves

The need for additional protection against increasing vandalism and juvenile delinquency in the forest preserves was advanced by Superintendent Sauer as justification for the additional of 15 new employees in the 1947 budget. Included were eight more rangers; two lieutenant rangers; six mounted rangers for 12 months instead of the previous six months, and two more naturalists than the present three.

The Forest Preserve District has plenty of funds and its 1947 budget includes \$800,000 for improvements. One hundred thousand dollars will be spent for a new headquarters building. Improvements for the northern part of the county are:

\$25,000 for Northwest shelter construction, on the Des Plaines river near the village of Des Plaines; \$14,000 for rebuilding and repairing Wheeling pool; \$1,000 for Des Plaines headquarters construction, on the river near Wheeling; \$10,000 for parking space, Turnbull Woods, near Glenview; \$4,000 for shelter terraces, Deer Grove; \$6,000 for parking space, Dam No. 4, near Devon; \$2,000 for Imhoff toilet building, Northwest Park.

Republican justices take over cases at sheriff police stations

Replacement of justices of peace previously hearing sheriff's cases in the three county highway stations with Republican-sponsored justices has been completed. Serving at Morton Grove station are Tuttle, Tone and O'Connor.

Budget provides new forest preserve sport area on northwest side

A new winter sports area cost-

ing \$25,000 for the northwest side, probably to be located near Milwaukee and Devon avenues, was added to an \$800,000 improvement budget for 1947 for the county forest preserve just before adoption of the budget by the county board Friday.

"There will be no ski slide, however," says Supt. Sauer, "that being considered a spectator sport which is liable to put us in the position of having to import snow from northern Wisconsin on the day of a meet."

**Maine Twp. refuses funds for illegal roads**

L. B. Anderson, Wheeling realtor is attempting to get the county board to officially accept three streets running into Greenwood ave., south of Dempster st., Park Ridge. Park Ridge refused to accept the subdivision in 1935. The town of Maine refuses to repair the roads because they have never been accepted and are not legal roads. Property was sold by metes and bounds.

Because some of the present property owners can not be found, street dedications cannot be secured. The state's attorney's office will try to find a solution.

**Ask county to accept Chestnut ave. between Palatine and Rend**

The county board roads and bridges committee has referred to the highway department of Wheeling whose property fronts on Chestnut ave. asking that this road from Palatine road to Rend road, in Wheeling, be declared a county or township road and maintained as a public highway.

**Suggests first-aid clinics in county**

"Long-term planning" for public improvement which lasts throughout the year instead of being confined to the annual budget-making period was urged upon the county board by President William N. Erickson Friday in a message read by the clerk just before the board adopted its 1947 budget.

Included "In the long-term planning Erickson said, we may do well to consider the possibility and feasibility of clinics for diagnosis and first-aid to be established in different parts of the county. While they could not be considered new county hospitals, they could yet be such effective branches of that institution that a great community need could be served."

In the future

**THINGS TO COME**—A lightweight gasoline scooter which will fit into an automobile trunk. It is made of magnesium-alloy, weighs 75 pounds and is powered by a four horsepower engine. A new resin which makes paint stick to smooth metal surfaces. Another new resin which forms a protective coating for wood and metal products and is said to be impervious to heat, moisture, and chemical action. A new insect killer which is deadly for cold-blooded animals, but non-toxic for warm blooded animals, including human beings. A scale for lifting trucks which guards against overweight. A watertight threshold. Made of aluminum, it contains a strip of metal which automatically rises to keep out drafts or water when the door closes. A reflector sign for house numbers and names which picks up light of passing automobiles at night much the same way as highway signs. A new solution for preparing old enameled and varnished surfaces for repainting. It eliminates the need for sandpapering or cleaning because it removes grease, wax and dirt in one operation.

SUE FOR DEATH

The administrator of the estate of Stanley Toczek and the executrix of the will of Josef Kasprzki have sued jointly in the Circuit court C. E. Langemack and George Erickson for causing their deaths in an accident March 9, last. Deceased were riding as passengers in a car on Wolf road at Touhy avenue. Erickson was driving his car on Touhy avenue. It is charged that he collided with the other car causing the death of the deceased. Damages of \$10,000 each is asked.

PATENT GRANTED

William H. Kohl, of Glenview, has been awarded a patent for an improved sealing and locking closure.

**Prevent Winter Falls**  
Sprinkle salt generously on icy walks or mix salt with sand, gravel or cinders to prevent winter falls.

Tentative dates for returns of remains of World War II deceased

The tentative date for return of the first remains of American World War II dead from temporary Military Cemeteries overseas is August 1947. It was announced by Major General T. B. Larkin, The Quartermaster General, through Colonel J. N. Gage, Commanding Officer of the Chicago Quartermaster Depot, today.

The preliminary operational schedules contemplate that those who fell at Pearl Harbor and other Armed Forces Personnel who now rest in seven cemeteries in the Hawaiian Islands will be the first to be returned, reaching the San Francisco Port of Embarkation about August 18, 1947. The first of those who were buried at Henri Chapelle Temporary Cemetery in Belgium are scheduled to arrive at New York Port of Embarkation about August 25, 1947.

Only the remains of those requested by the next-of-kin will be brought to the United States for final burial in either a private or national cemetery.

The tentative schedule is based on the assumption that present casket manufacturing requirements will be met; that full scale deliveries of caskets will begin in May 1947; and that the deliveries will continue without interruption until all orders have been filled.

Current estimates are that 80% of the recovered remains will be returned to the United States or homeland of the deceased and that 20% will be interred permanently overseas. The accuracy of the estimates will not be known, however, until all next-of-kin have responded to letters of inquiry which are to be mailed to the next-of-kin by the Office of The Quartermaster General.

The American Grave Registration Service activities at the Chicago Quartermaster Depot will be under the direction of Lt. Colonel Carroll J. Grinnell, QMC, who will coordinate the distribution of remains returned from the Pacific Areas to the next-of-kin within the states of Illinois, Minnesota, Wisconsin, Indiana and Michigan and those returned from the Atlantic Theaters to the states of Illinois, Minnesota, Wisconsin, Iowa, North Dakota and South Dakota.

Income tax date is approaching

Nigel D. Campbell, Collector of Internal Revenue, cautioned taxpayers today not to confuse pending tax legislation in Congress with the 1946 income tax returns which must be filed not later than March 15 by every person who had \$500.00 or more income last year.

The Collector pointed out that, if any changes are made in the tax laws, the changes will apply only to 1947, and therefore, will not alter in any way the filing of last year's return due by March 15.

For 1946, a return is required by March 15 from every person who had \$500.00 or more income, regardless of all other circumstances (except, of course, members of the armed forces still overseas). Returns are required even though part or all the tax has been paid by withholding.

SUES FOR DEATH

Mrs. Margaret Spiegel, executrix of the estate of her daughter, Eugenia Ireland, has sued Olaf Winnan in Circuit court for \$10,000 damages for her daughter's death. It is charged that Winnan was driving an automobile in Des Plaines July 25, last. It is stated that Eugenia was riding as a passenger on a motor cycle which was run into by the car and she was so badly injured that she died the same day. She was the wife of Donald Ireland.

SUES FOR DEATH

Suit has been filed in the Superior court by Lily Hesselquist as administratrix of the estate of Inez Hesselquist, deceased. Lily for herself, Jeanette Conrad and Priscilla Fisher against the American Coach Co. It is alleged that the coach collided with an automobile driven by Inez on Golf road at Waukegan road September 29, Inez was fatally injured, the three others were also injured. Damages of \$10,000 each are asked for all four.

## Expert advice.

## Shall I buy that farm?

Here are some thoughts about  
buying farms—not so much for  
farm people as for people who  
would like to move to the coun-  
try—either to a small place

or a full-scale farm.

A good many people write to  
the College of Agriculture at the  
University of Illinois for advice  
on the subject. The man who  
usually answers such letters is  
J. B. Cunningham, farm manage-  
ment extension specialist in the  
agricultural economics depart-  
ment at the college.Cunningham says that, since  
land values are at the highest  
levels in the past 25 years, he  
would caution an inexperienced  
operator against investing sav-  
ings in a farm at this time.  
Some of these people have as  
much as \$15,000 to invest—but  
Cunningham says \$15,000 is not  
enough capital to buy an effi-  
cient unit now—and he advises  
against contracting a heavy  
mortgage to be paid out of fu-  
ture farm earnings.His usual recommendation is  
that the prospective farmer will  
be far better off if he waits un-  
til the land boom is over—and  
he adds that we may have an-  
other bust, like that following  
the first world war.Another suggestion is that if  
the man who wants to farm, and  
doesn't have experience, it would  
be a good idea to work for at  
least a year or so as a hired  
hand—to get some idea of how  
a farm is operated, and whether  
that's really what he wants to  
do.As for small places in the  
country—five acres, or even 25  
or 30—Cunningham says they  
can't be depended on for an in-come large enough to live on.  
They may be a fine place to  
live for someone who works in  
nearby town and uses the little  
place only for a garden, and  
perhaps poultry and a cow or  
two. The price for those small  
places doesn't depend so much  
on the quality of the soil as on  
other factors—buildings, near-  
ness to town, roads, schools and  
so on.

## SUE FOR SUPPLIES

The Meyer Coal and Material  
Co. of Des Plaines, has sued C.  
B. Leeson and others in the Cir-  
cuit court to secure a mechanic's  
lien for \$751 on certain lands.  
They claim the sum is due for  
building supplies furnished for  
improvements on the properties  
in question.

## Expect hog price to remain at present level

Spring and summer hog prices are expected to remain at present levels and may strengthen somewhat during the spring and summer months. The seasonal peak in hog slaughter for this winter is past. Market receipts of hogs will gradually become smaller through the late winter and early spring months, but receipts of cattle will be fairly large.

Some increase in hog marketings will occur as the 1946 fall raised pigs come to market in the late spring and early summer, but marketings during that period will be smaller than during the same period for 1946. The 1946 fall pig crop estimate was 11 percent smaller than the estimate one year earlier, and the smallest since 1940. Hog prices from now until the fall of 1947 are expected to be favorable enough to justify feeding hogs to heavy weights.

Winter of 1947-48. Although at present there is a great deal of uncertainty about the prospective demand for meats in the winter of 1947-48, pigs raised this spring should provide a profitable market for the 1946 corn crop. The outlook for hogs which can be marketed in the fall and early winter months is more favorable than for late spring pigs. However, if farrowings do not substantially exceed the 6 percent indicated by farmers in early December 1946, even late spring or early summer pigs are expected to be a better outlook for corn than the cash market. With an average number of pigs raised per litter, the 6 percent increase in farrowing would result in a 1947 spring pig crop of 53 million head, an increase of only 1 percent from 1946.

# Tells of measures used to stall Bang's disease

"Progress now being made in the state-wide program to suppress Bang's disease can easily be undone if traffic in infected animals remains unchecked," said Robert Graham, Dean of the University of Illinois College of Veterinary Medicine, in discussing the revised Illinois Bang's disease control law of 1945.

Emphasizing the importance of quarantine, isolation procedures and diagnosis in controlling certain contagious diseases of both man and animals, Dean Graham explained that the Bang's control law "essentially prevents traffic in brucella-reacting cattle, which is the most common method of spreading bang's disease. In this law, veterinary regulatory officials and livestock owners find a measure of protection that has been needed for many years in the prevention and control of brucellosis in cattle."

Brucellosis in cattle is also a public health problem, according to Dean Graham, who said that the law would unquestionably have the solid support of physicians and public health officials. Available evidence indicates that the suppression and control of undulant fever in man is dependent upon the elimination of the disease in cattle as well as in swine. Thus, he continued, livestock owners and veterinarians have a definite responsibility in the public health aspect of brucellosis.

"Since infected cows may breed normally, spread the disease at the time of calving and transmit the undulant fever germ in the milk, all without showing any symptoms, the new Bang's disease law recognizes the blood test as the most accurate method of diagnosing the disease," he said. "The blood test for brucellosis in cattle is comparable in accuracy to the tuberculin test

in detecting cattle affected with tuberculosis, and it is believed the time has arrived when all animals of breeding age presented for sale should show a clean bill of health, including a negative test for brucellosis as well as a tuberculin test."

One clause in the Illinois Bang's disease control law provides that as of July 1, 1947, no female cattle or breeding bulls more than eight months of age shall be sold in this state, except for slaughter, unless such cattle (1) have been tested for Bang's disease and found negative within 30 days prior to sale or (2) are under 20 months of age and were vaccinated against Bang's disease with an approved vaccine when they were neither less than four nor more than eight months of age.

Under this law, cattle from abortion-freedom herds may be sold without tests. The State Department of Agriculture also permits cattle reacting to Bang's disease to be sold or transferred into infected herds or into herds where vaccination measures are being employed. With permission of the department, reacting female cattle and breeding bulls more than eight months of age may be sold without test for feeding purposes only, but must remain under restriction of quarantine. Animals over 20 months of age that continue to react as the result of vaccination are regarded as infected animals.

## Roselle Miss first entry in Slick Chick contest

The nation wide "Most Beautiful Hen Contest" sponsored by the poultry and egg national board in conjunction with the motion picture "The Egg and I", based on the book of the same title by Betty MacDonald, may turn out to be the picture of 1947. It will be released for first showing in New York about April 1.

Two of the most popular stars in Hollywood, Claudette Colbert and Fred MacMurray, take the leading parts in the picture. The lucky winners from five regional areas will accompany their birds to New York as the guest of Miss Colbert and Fred MacMurray and the best of the five birds will be given an additional reward of \$500. The judges will probably be such notables as Charlie McCarthy, Fred Allen, Phil Baker, the Artist Vargas, Billy Rose, etc. Complete details and rules of the contest can be had from White Lane Farms Hatchery at Roselle and your entry in the contest can also be placed with them.

## Economy of production back on local farms

If you grew soybeans back in the early 1920's, and in 1946, you'll be interested in these figures, supplied by R. H. Wilcox, of the University of Illinois College of Agriculture.

On the average it now requires 10 minutes of man labor to produce a bushel of soybeans. Twenty or 25 years ago it took five times as long—50 minutes—of labor to produce a bushel of soybeans. Today machinery costs—the tractor, other machinery, fuel, oil and the reserve for replacement—make up 23 percent, or a little less than a third of the cost of soybean production.

Wilcox says that the hours of labor required to produce an acre of most crops has come down to what seems rock bottom, but he forecasts that in the future they'll come down some more in the case of hay-making and some other crops.

The time for producing a bushel of corn has dropped from 32 minutes 30 years ago to six minutes today, largely as a result of mechanization and improved yields.

Wilcox says livestock production costs will tend to follow prices. However, he believes that in the future farmers will place more emphasis on finding ways to save labor on livestock production than they have in the past.

He points out that feed for livestock makes up a large part of the total cost in livestock expenses—from 55 percent in the case of milk production to 75 percent of the cost of pork production. That means that the movement of feed prices will always suggest largely what the cost of livestock and livestock products will be.

## 1947 agricultural conservation program

Throughout the State producers are at this time making requests to county AAA committees to participate in the 1947 Agricultural Conservation Program. This is done by completing a Farm Plan, and each and every farmer or landowner is eligible.

According to W. A. Hinz, acting chairman of the local committee, producers of Cook County have been sent notices in those townships which have been asked to call at the AAA office to sign up in the 1947 program. Notices will be sent to those producers who will have sign-up meetings in their local townships.

This year there will be no farm-to-farm visit by the community committeemen.

There are few, if any, farms in the county that are not in need of some conservation work and it is the desire of the county committee to give every producer an opportunity to take advantage of the assistance offered by the program in carrying out good soil building practices.

The deadline date for sign-up in the 1947 AAA Program is March 31, 1947.

# Baby Chicks

- Healthy Stock
- Blood Tested
- All Varieties
- Order NOW!

Our chicks are from blood tested breeding stock from reliable hatcheries under official supervision. We recommend that you buy your chicks early. Follow our ten rules for raising chicks and you cannot fail to have a prosperous year in 1947. Remember the first step is to buy healthy chicks.

## START THEM RIGHT

### Feed MASTERMIX Chick Starter

We cannot over-emphasize the need for a balanced ration from hatching to maturity. We believe our MASTERMIX starter is the most scientific and the most complete baby chick feed on the market today. Your chicks must grow and mature rapidly... and at the same time keep healthy. MASTERMIX feed contains all the essentials to produce these results.

### Good Chicks Plus Good Feed Equals Best Results

**Seek to change  
direction of Rte. 62**

New signs have been installed on Palmer Avenue from Kedzie to Long. Work has started on the installation of new street signs on Wrightwood from Logan Sq. to Pulaski road. "No Parking" signs have also been ordered for the intersection of Cicero and Belmont.

Representatives of Park Ridge and Des Plaines obtained the support of the Northwest area council of the Chicago Motor Club for suggested rerouting of Illinois 62. At present Illinois 62 goes through the residential area of Des Plaines. The suggestion would change the present route at the intersection of Algonquin and Wolf roads. Instead of going east at this point, the route would be changed to go south at Wolf road to Oakton street and thence east to Algonquin road where it crosses Oakton. At that point the route would follow Algonquin road into Talcott avenue as it now is. This change would take this traffic through the southern outskirts of Des Plaines.

**Voter emphatic  
in school election**

Some one who voted in the recent Barrington school election went to great pains to make sure that his vote wasn't misunderstood. Where the ballot asked, "Shall we build a new school?" he wrote in "No" instead of placing an "x" in the proper square. Where the ballot asked, "Shall we buy a site?" he again wrote "No." But he got a little more emphatic when the ballot asked, "Shall we issue bonds of \$940,000?" There he wrote, "No, Sir!"

**Fulle to head Red  
Cross in this area**

Fred A. Fulle, 1445 Ashland ave., Des Plaines, was appointed chairman last week by Lowell D. Rutherford, chairman of the County Communities Division for the 1947 Red Cross Fund Campaign in Region II which comprises the northwest area of Cook County. Solicitation of funds in the following towns will be under the leadership of Mr. Fulle: Arlington Heights, Barrington, Bartlett, Des Plaines, Mt. Prospect, Niles, Ontarioville, Orchard Place, Palatine, Park Ridge, Prospect Heights, Schaumburg Township and Wheeling.

"Never in time of peace has the American Red Cross been called upon to render such extensive services to the military forces at home and abroad and to veterans as are now required."

"Approximately 75 per cent of Red Cross funds are still spent in war-related services at home and overseas. We still have more than 2,900 workers serving outside the United States. As our work in army and navy hospitals and other installations gradually decreases during the next few years, work with veterans and their families will increase."

**Court battle over dog  
hospital location**

The village of Libertyville last summer adopted an amendment to the village zoning ordinance providing that animal hospitals be restricted to industrial zones. Dr. James Butterworth owns a building on Milwaukee ave., in the business zone, in which an animal hospital is operated. He asked the circuit court to restrict the village from enforcing the ordinance insofar as his institution is concerned.

In the answer the village contends that the board of trustees were within their legal rights to adopt the amendment and force Butterworth to cease operations in his hospital. The court is also asked to grant a permanent injunction "from operating or seeking to operate a veterinary hospital upon the premises."

Dr. Butterworth prior to filing his petition said that if the circuit court enjoins him from operating an animal hospital on Milwaukee ave., he will carry the legal battle to the supreme court for the purpose of determining whether an animal hospital should not be classed as a human hospital for zoning purposes.

**Illinois Bell  
earnings below  
depression years**

Earnings of the Illinois Bell Telephone Company for 1946 were substantially below the worst depression year, according to the company's 1946 Annual Report which has just been issued.

Despite a record volume of business last year, the company's expenses rose more rapidly than revenues. The report shows increases over 1945 of 30% for operating expenses while revenues rose only 13%.

Net income in 1946 available for fixed charges and dividends was \$10,891,000, or \$960,000 less than in 1945. Without benefit of the tax refund, the 1946 income available for dividends was \$3.10 per share of capital stock outstanding. With the tax refund, applicable for the last time in 1946, income available for dividends was equivalent to \$5.56 per share. This compares with \$6.39 in 1945 and the average for the previous 10 years of \$7.83 per share. Dividends of \$6.00 per share were paid during the year, requiring a charge of \$894,000 to surplus.

Wages were 72% of the company's total operating expenses in 1946 and took 60 cents out of every dollar received for telephone service.

"During the next several years the company will have to raise approximately \$80,000,000 annually of new capital, to enable it to construct the buildings and provide the equipment to meet the public's needs," the report said. "The additional money needed will be forthcoming only if investors believe that telephone securities offer the prospect of a steady, adequate return," the report emphasized.

**Air letter service  
established soon**

The Post Office Department has been considering for some time the inauguration of an "Air Letter" Service at a reduced uniform postage rate to all foreign countries. Gael Sullivan, Second Assistant Postmaster General, states the Department is ready to place this service in operation as soon as practicable, possibly some time before the close of February, so as to meet public demands and to provide a service similar to that in use in certain foreign countries.

The service will consist of a sheet of light weight paper of durable texture, which when folded will resemble an ordinary business envelope and thus provide privacy of the text of the letter. The sheets will have printed on the face "Air Letter," "Via Air Mail — Par Avion," and "If anything is inclosed this letter will be sent by ordinary mail." In order that the air letters will be readily distinguished, they will bear a red, white and blue border. The writing space will be approximately 7 by 12 in. The postage rate will be 10 cents for each sheet.

**To appeal on Cuneo  
barn ruling**

An appeal to the Lake county circuit court in the ruling of the county board of supervisors prohibiting construction of an \$50,000 dairy barn on Hawthorn farm, south of Libertyville, has been filed by John F. Cuneo, owner. The county zoning board, after a public hearing in Libertyville, ruled that because the barn would only be 67 feet from the center line of Milwaukee ave., it would not conform to zoning restrictions which provide a minimum of 100 feet.

Cuneo insists the zoning law does not apply to agricultural buildings for agricultural purposes.

**Wills filed****MRS OMALIE NERGE**

Letters of administration were issued in Probate court last week to Mrs. Amalie Nerge, of 8 North Wille, Mt. Prospect, in the estate of her husband, Emil C. Nerge, who died January 31, 1947, leaving \$2,000. Also surviving is a son, Bernard F., living with his mother. There was no will.

**WILLIAM THURNAU**

William D. Thurnau, of Palatine, who died December 28, 1946, left an estate estimated at \$25,000, it was disclosed last week in Probate court with the issuance of letters of administration.

The estate will go to his wife, Mary, and two daughters and a son. The children are: Edwin H.; Hilda G.; and Mrs. Melinda Slade. All live in Palatine. There was no will.

Surviving the widow, Mrs. Jeanne F. McMillin, of Northbrook; Mrs. Ethel M. Peterson, sister, of 923 Jackson street, River Forest, and a sister, living in Joliet, whose name was unknown.

**DAVID NOYES**

David A. Noyes, of Niles, who died in Palm Beach, Fla., December 17, left an estimated \$500,000 estate, all in personal property. He left it all to his widow Emma, who was also named executrix of the will.

**Libertyville teachers  
ask joint pay raise**

All member of the Libertyville Township High school faculty last week joined in a move to obtain increases in compensation. They chiefly base their claims on the rising cost of living and also point out that from 1939 to 1946 the average increase in the yearly salary has been under \$2 per week.

The teachers plan to present their reasons for asking more compensation to the public in a series of statements.

**Des Plaines stores to  
open Monday eves**

At a meeting of all interested retail merchants held at the invitation of and under the sponsorship of the retail committee of the Des Plaines Chamber of Commerce last week it was voted almost unanimously to eliminate the Saturday evening opening of local stores and substitute therefor a Monday evening opening, effective March 1.
